The site

The events

No identity

No main entrance

Unfinished

Not interesting enough

Weird

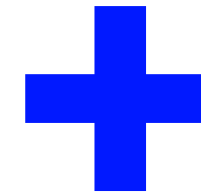

Hidden

Hole in the fence as an entrance

Fence

Strong sunlight

Forgotten

Close to the border

River

Good location

Events

Festival

Strong geometry

All generations

Quiet

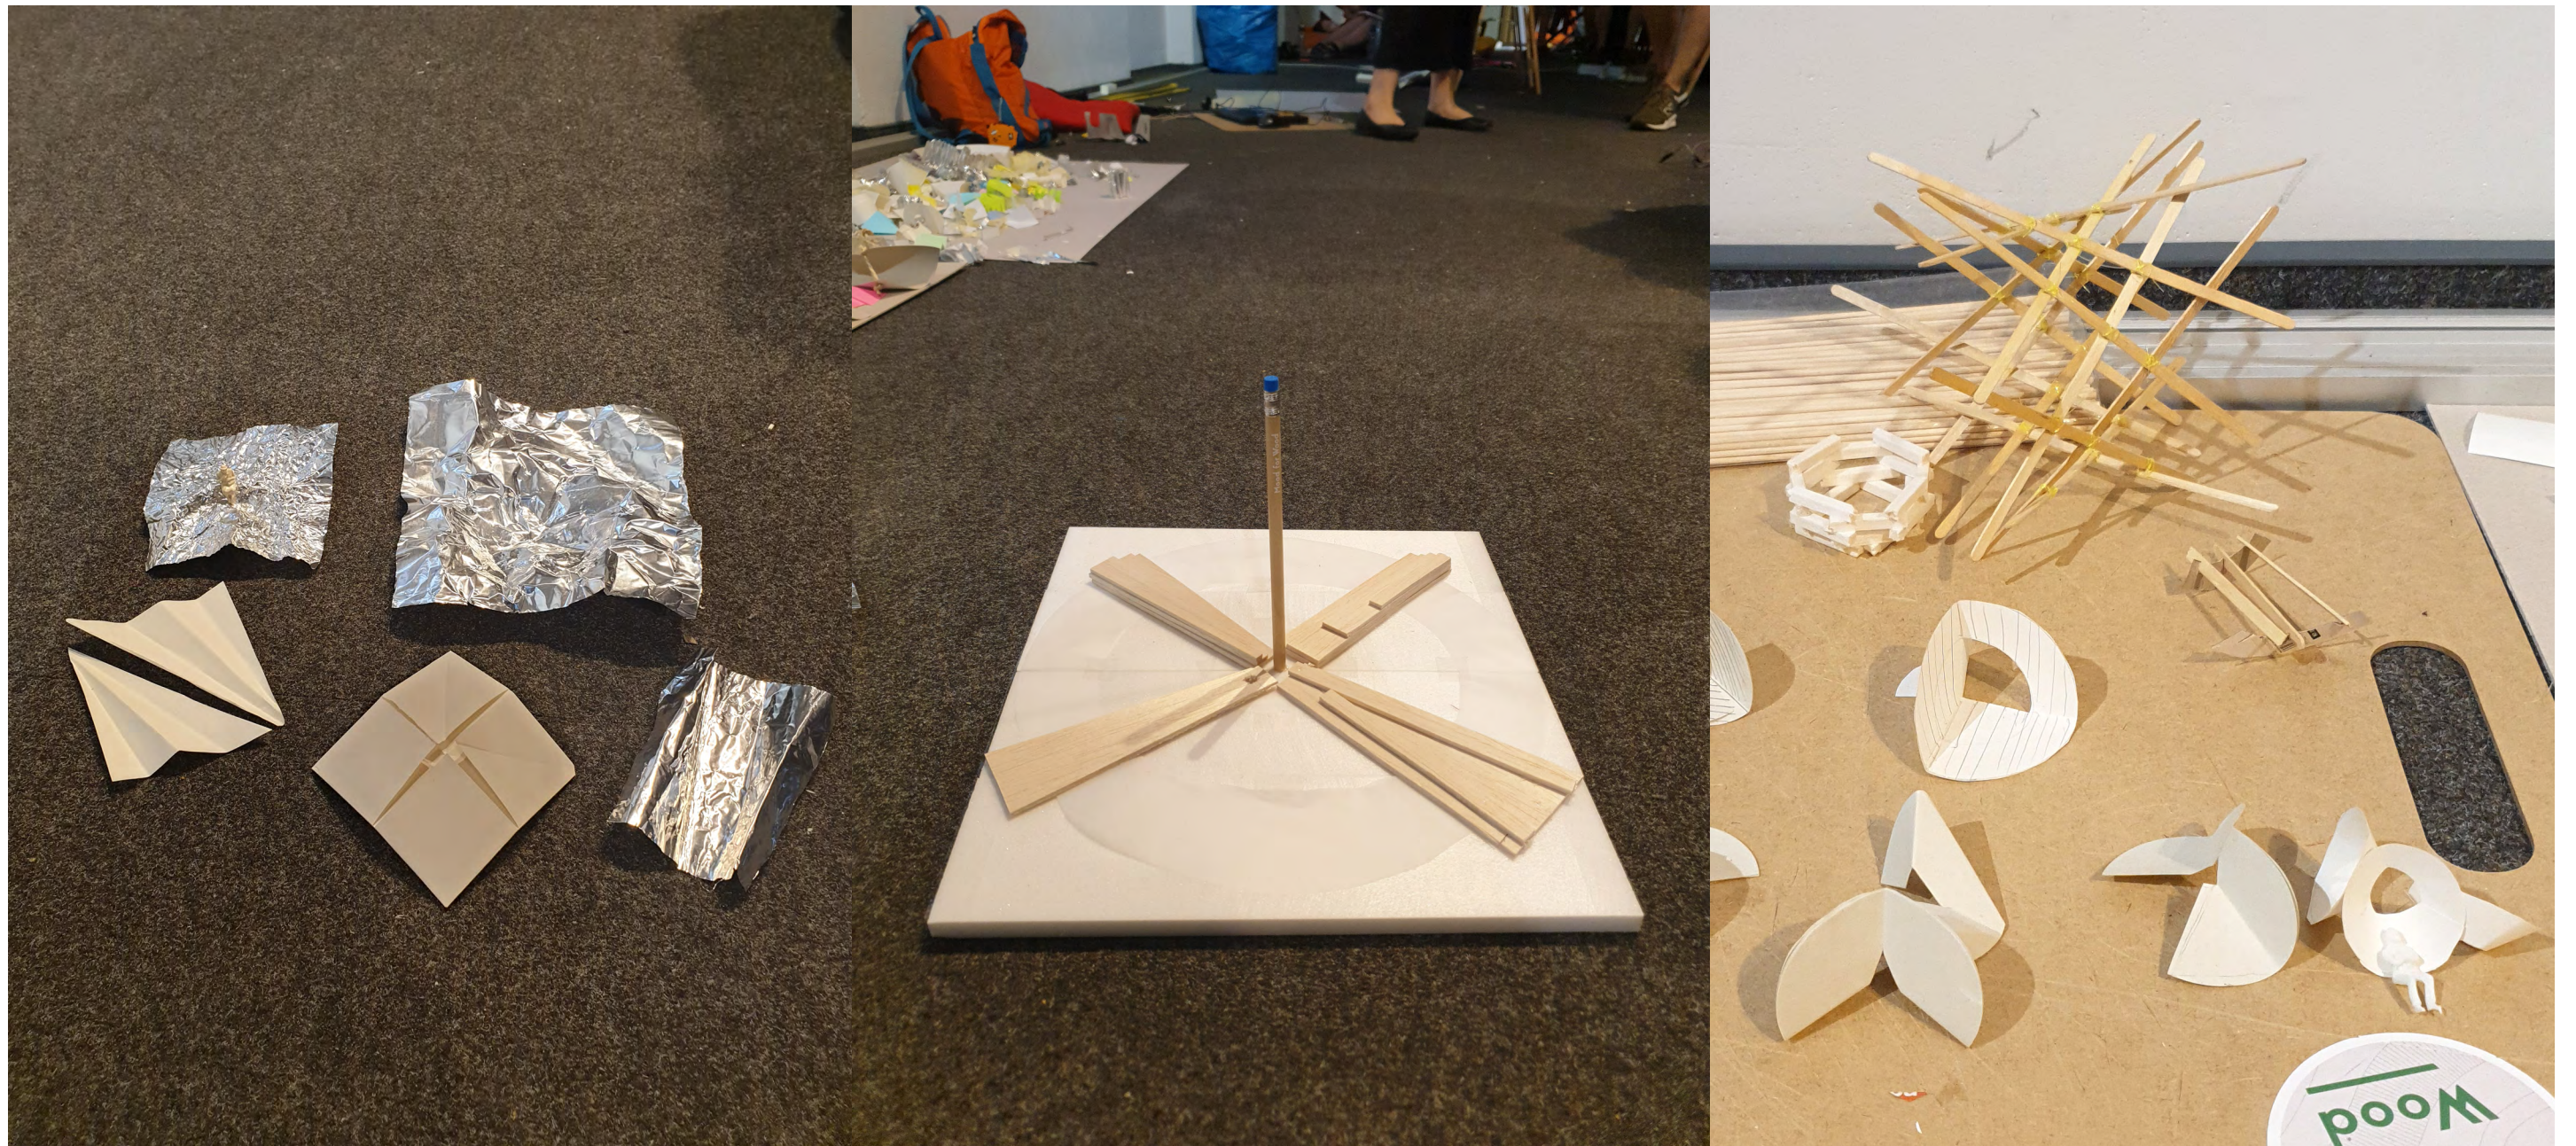

Cycling path

Historic

Greenery

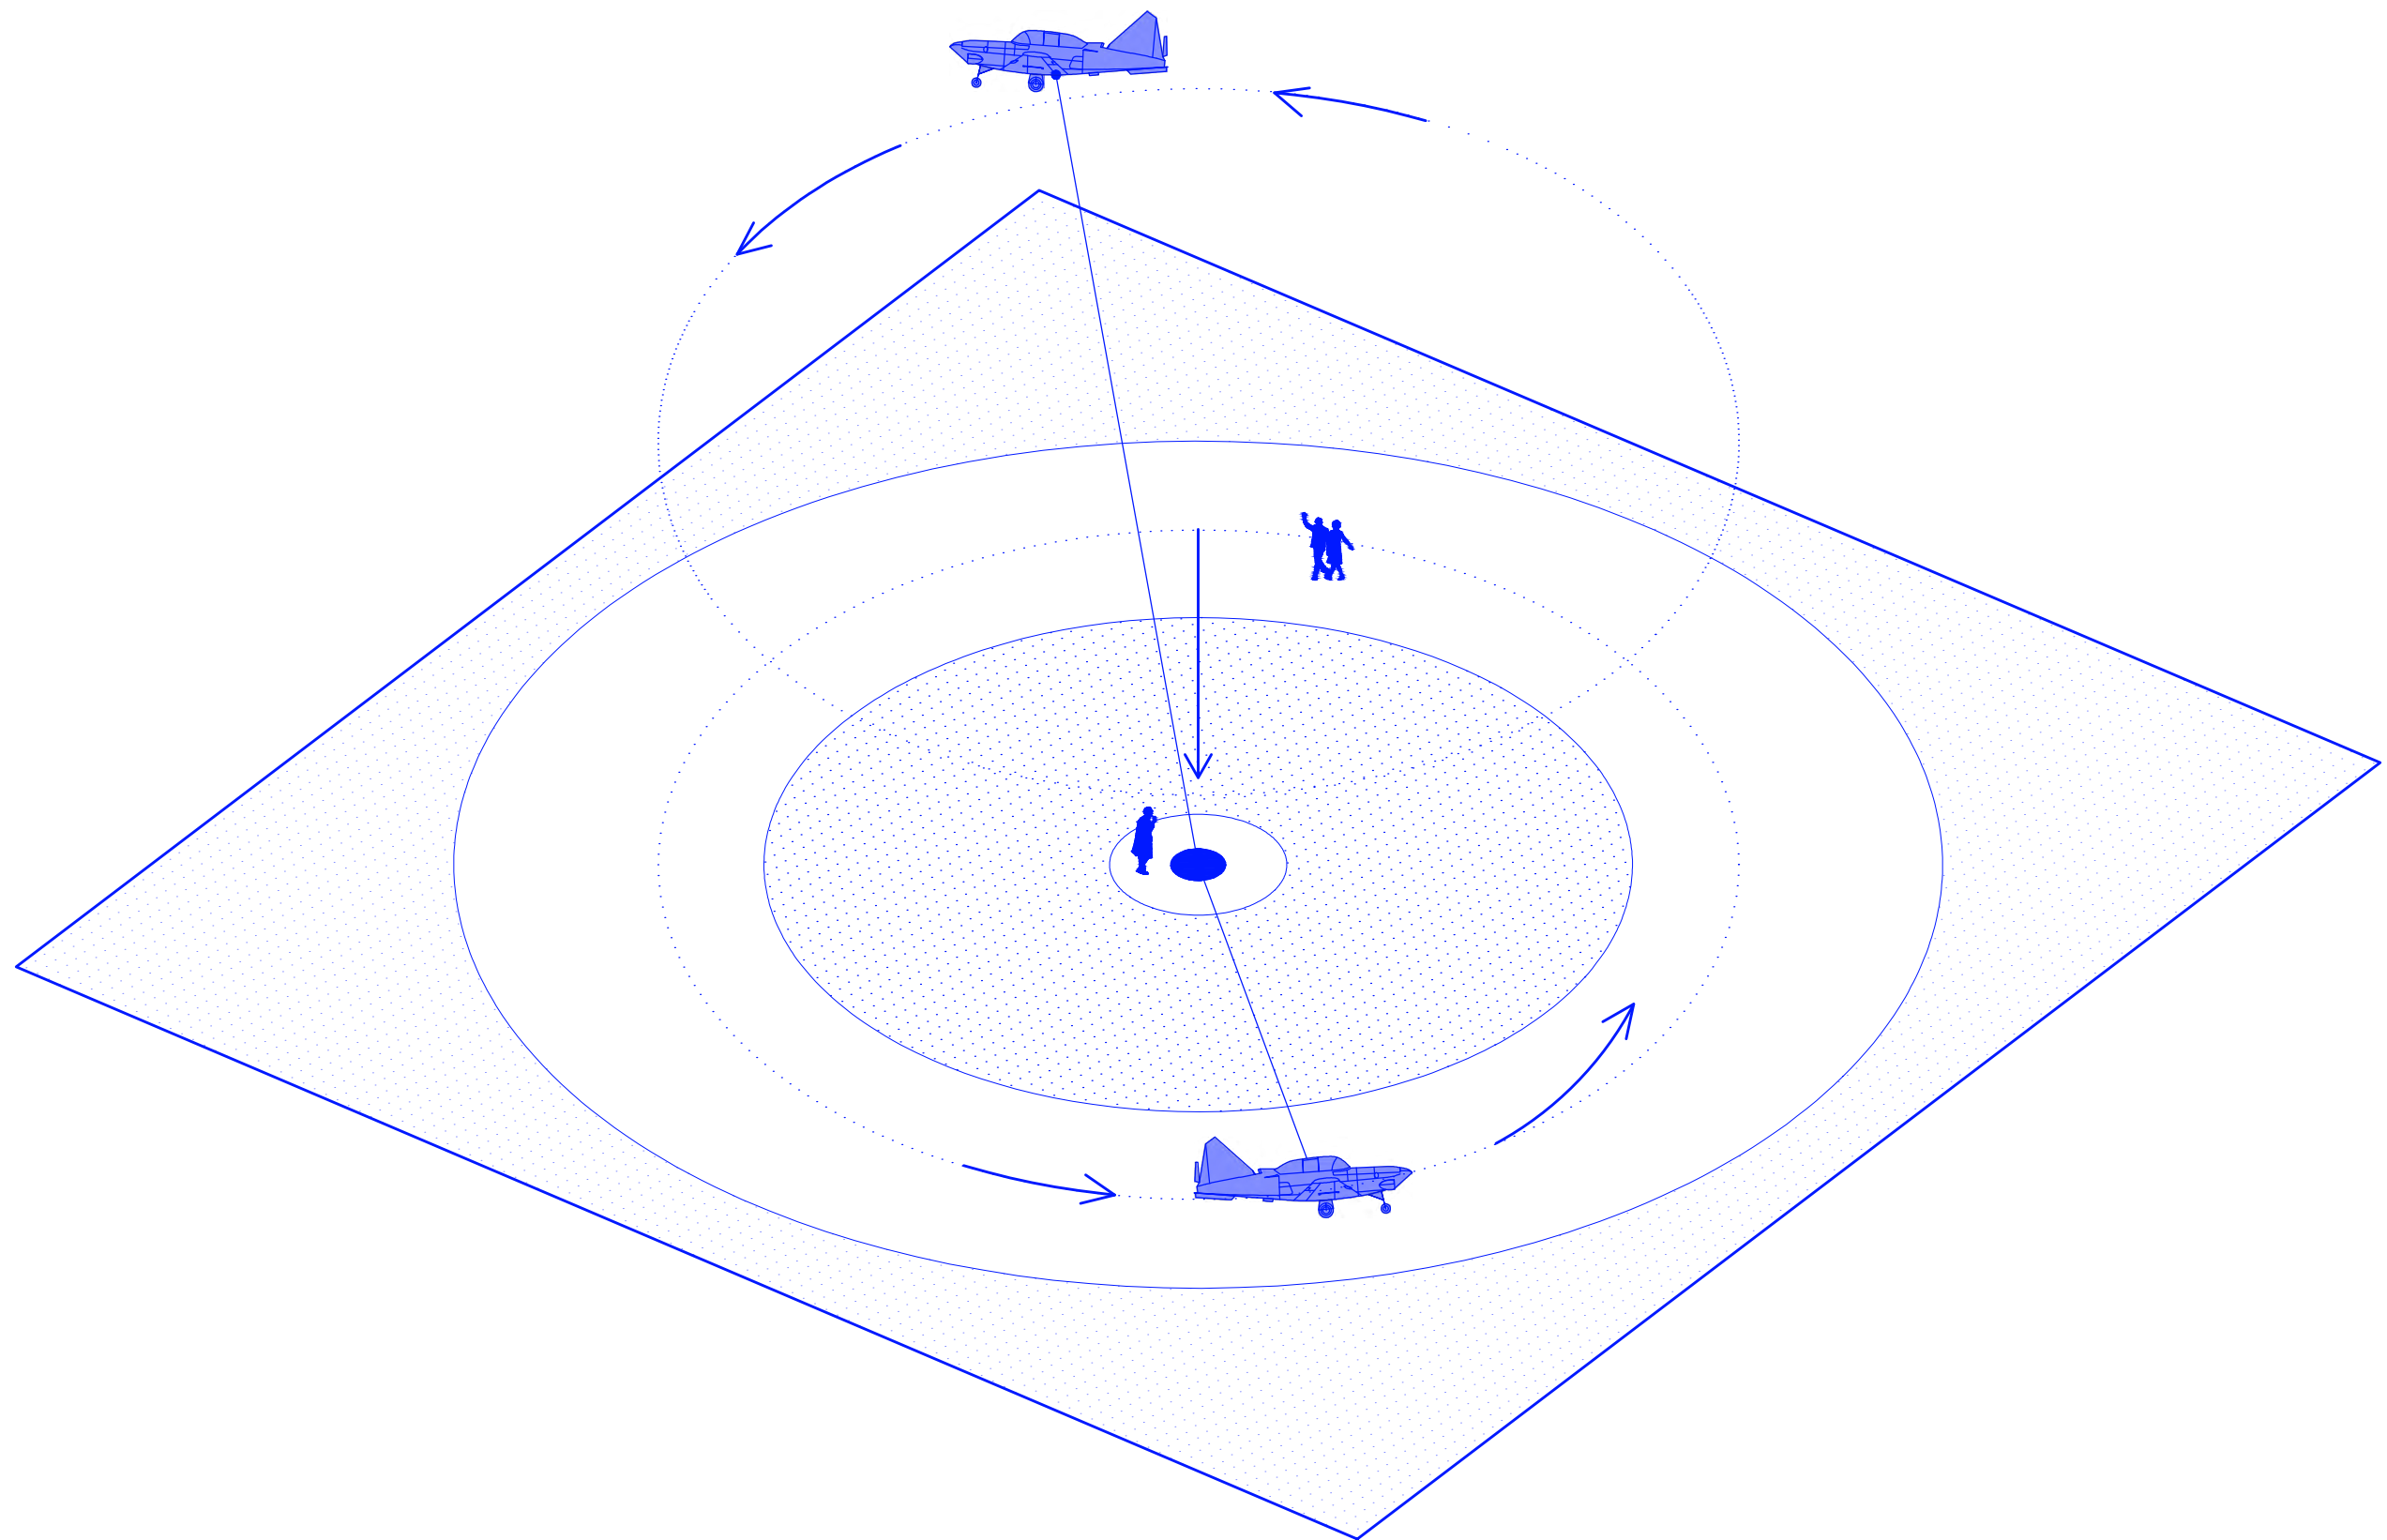

The designing process

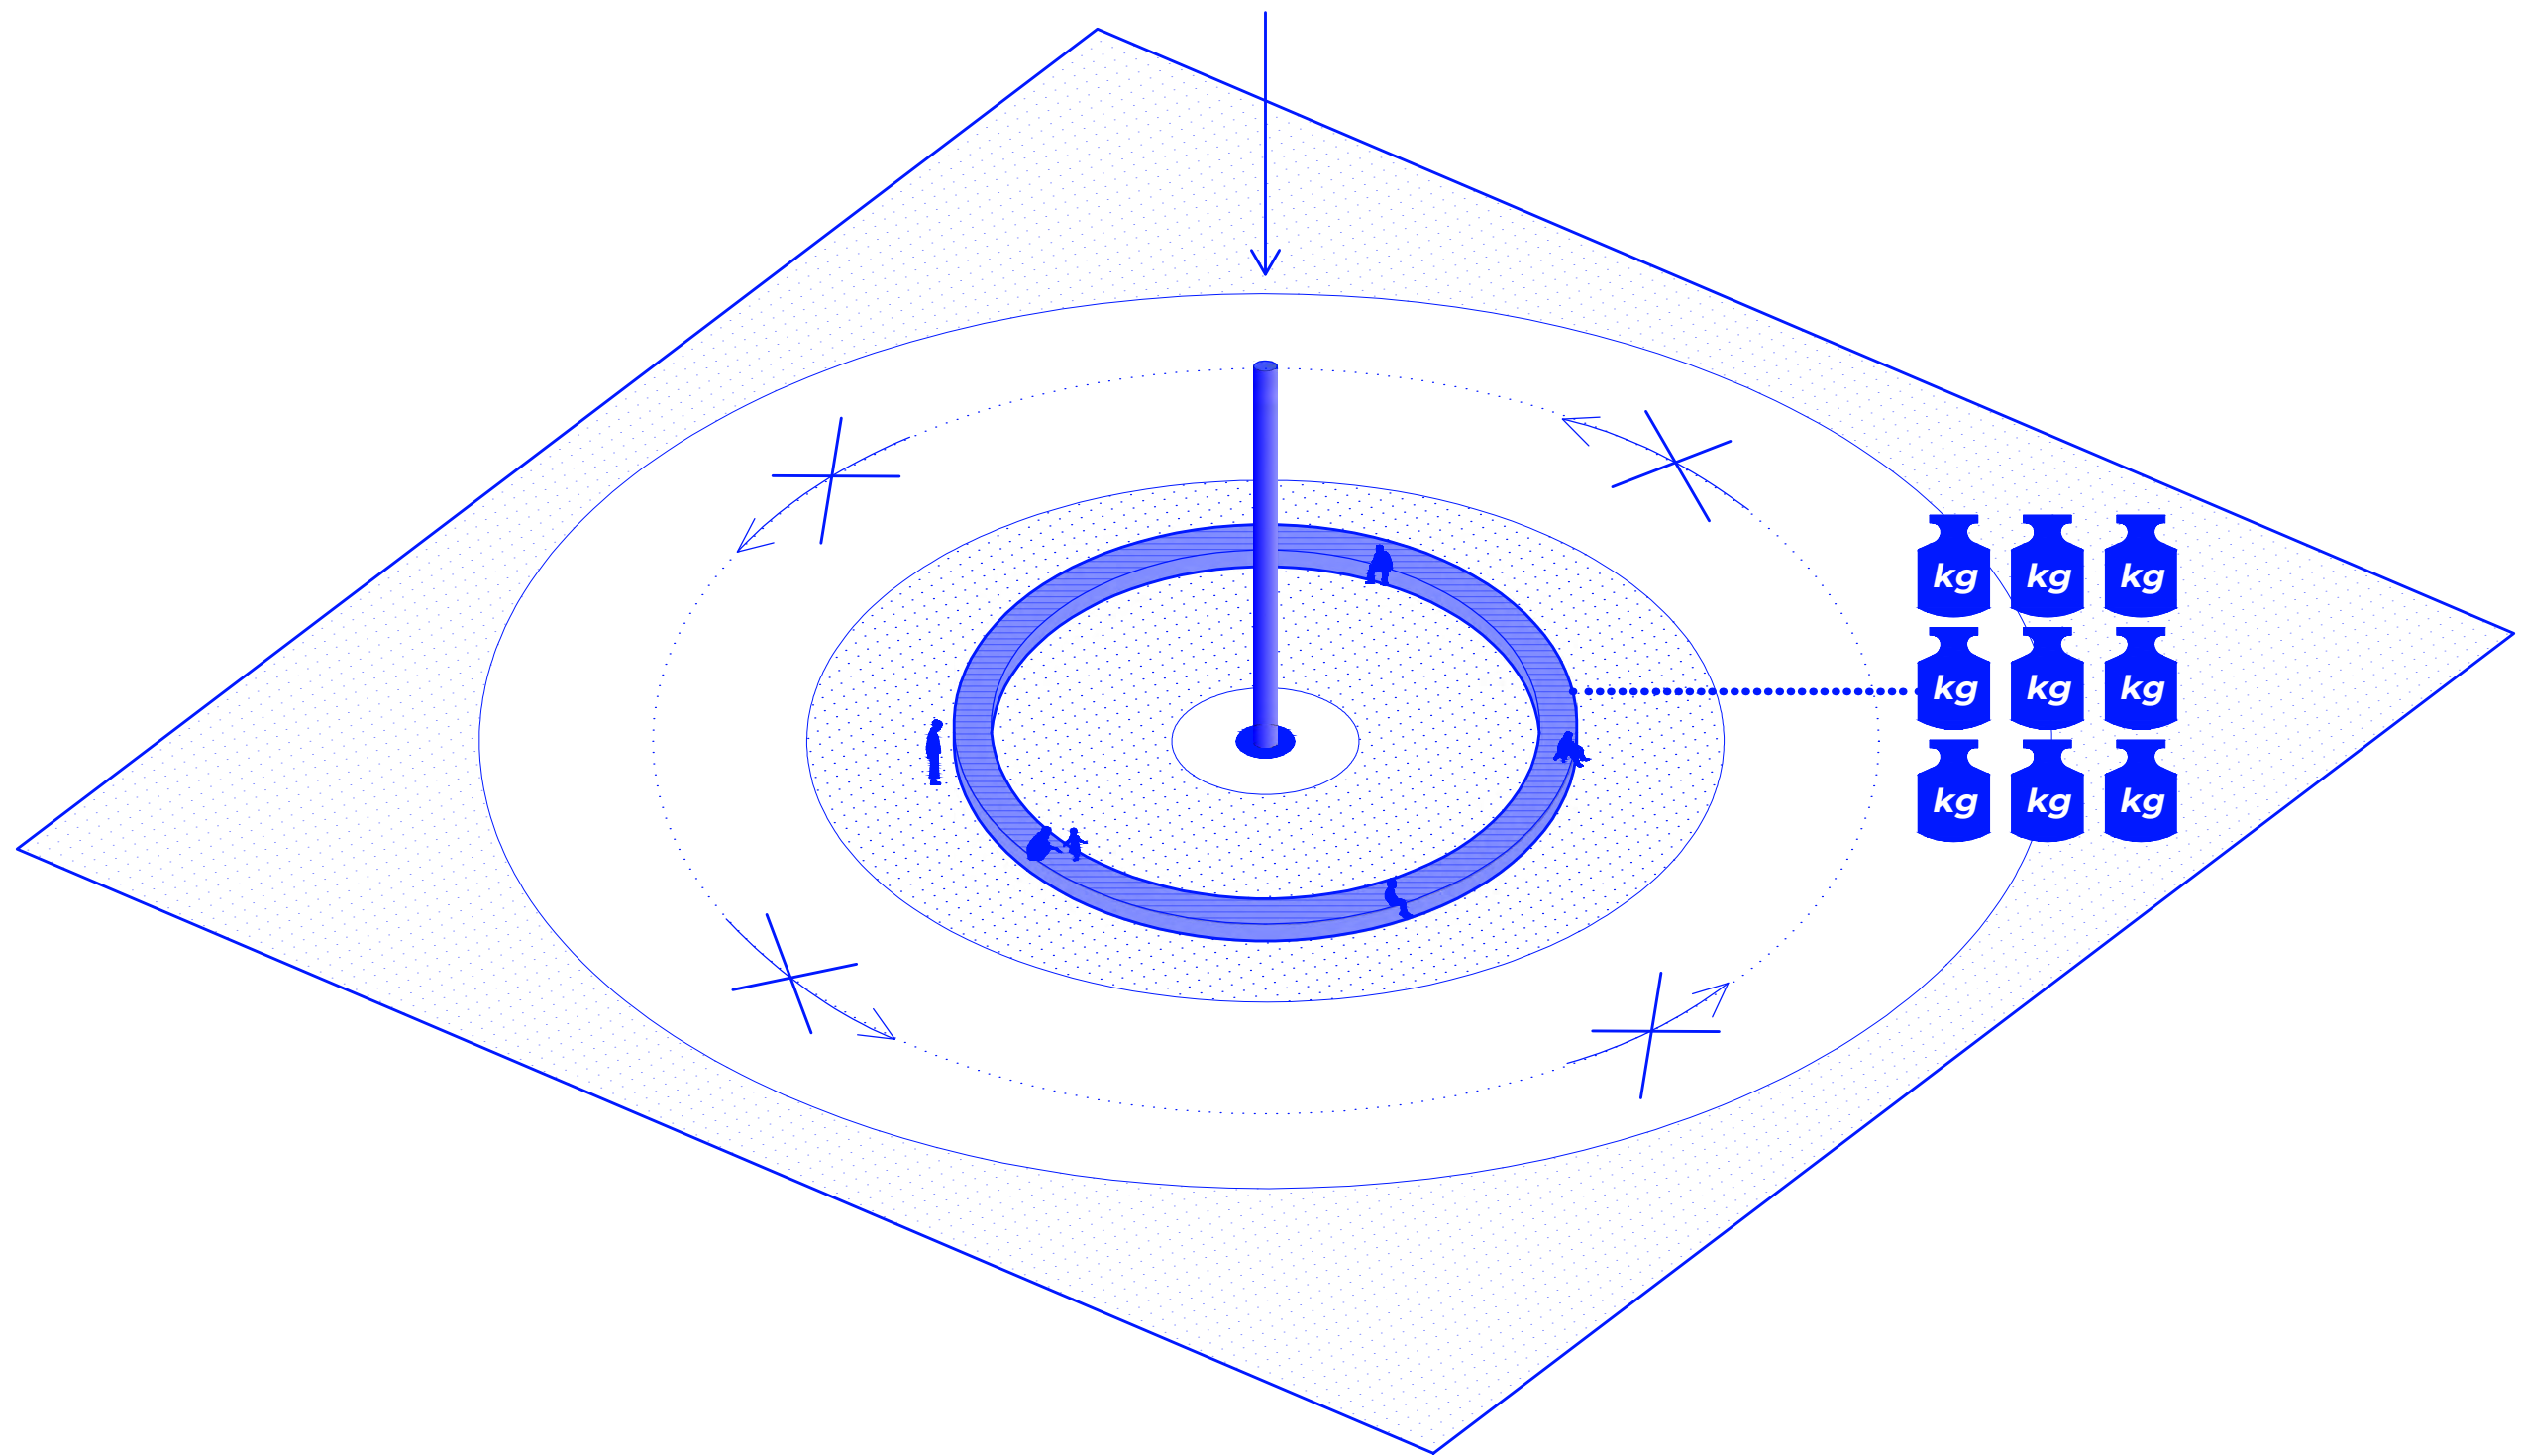

The conceptual mock-ups

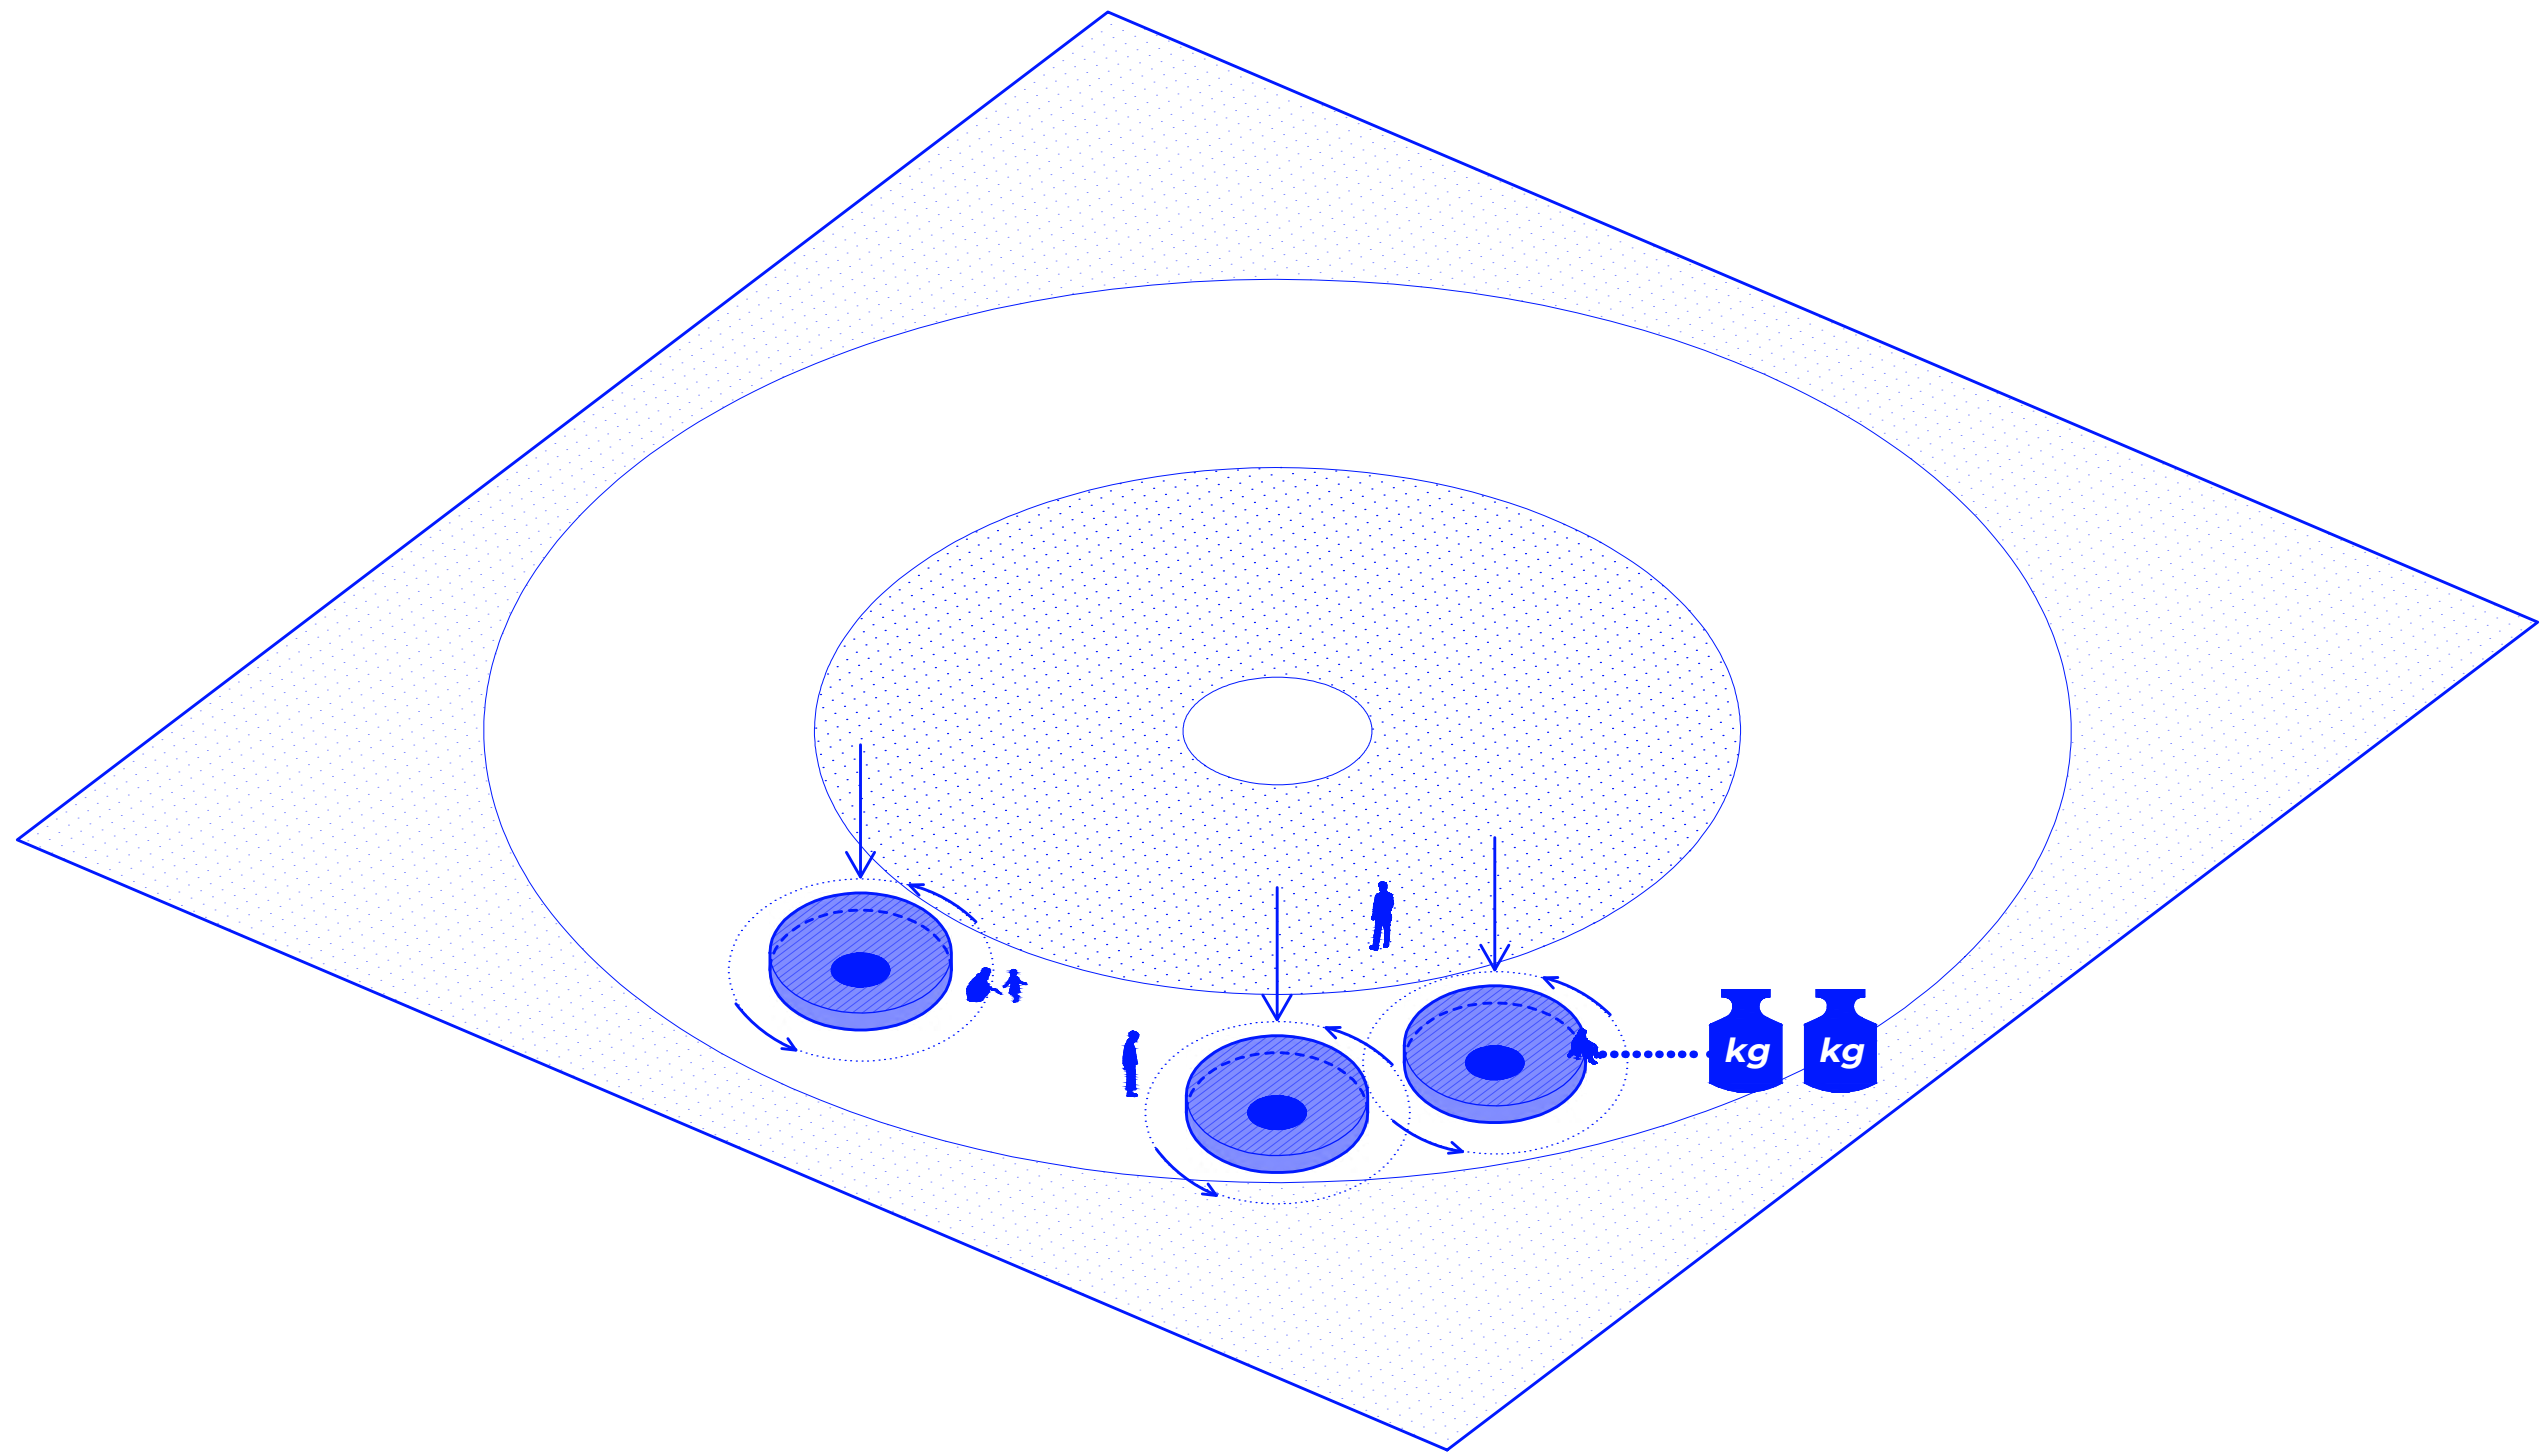

The nachos

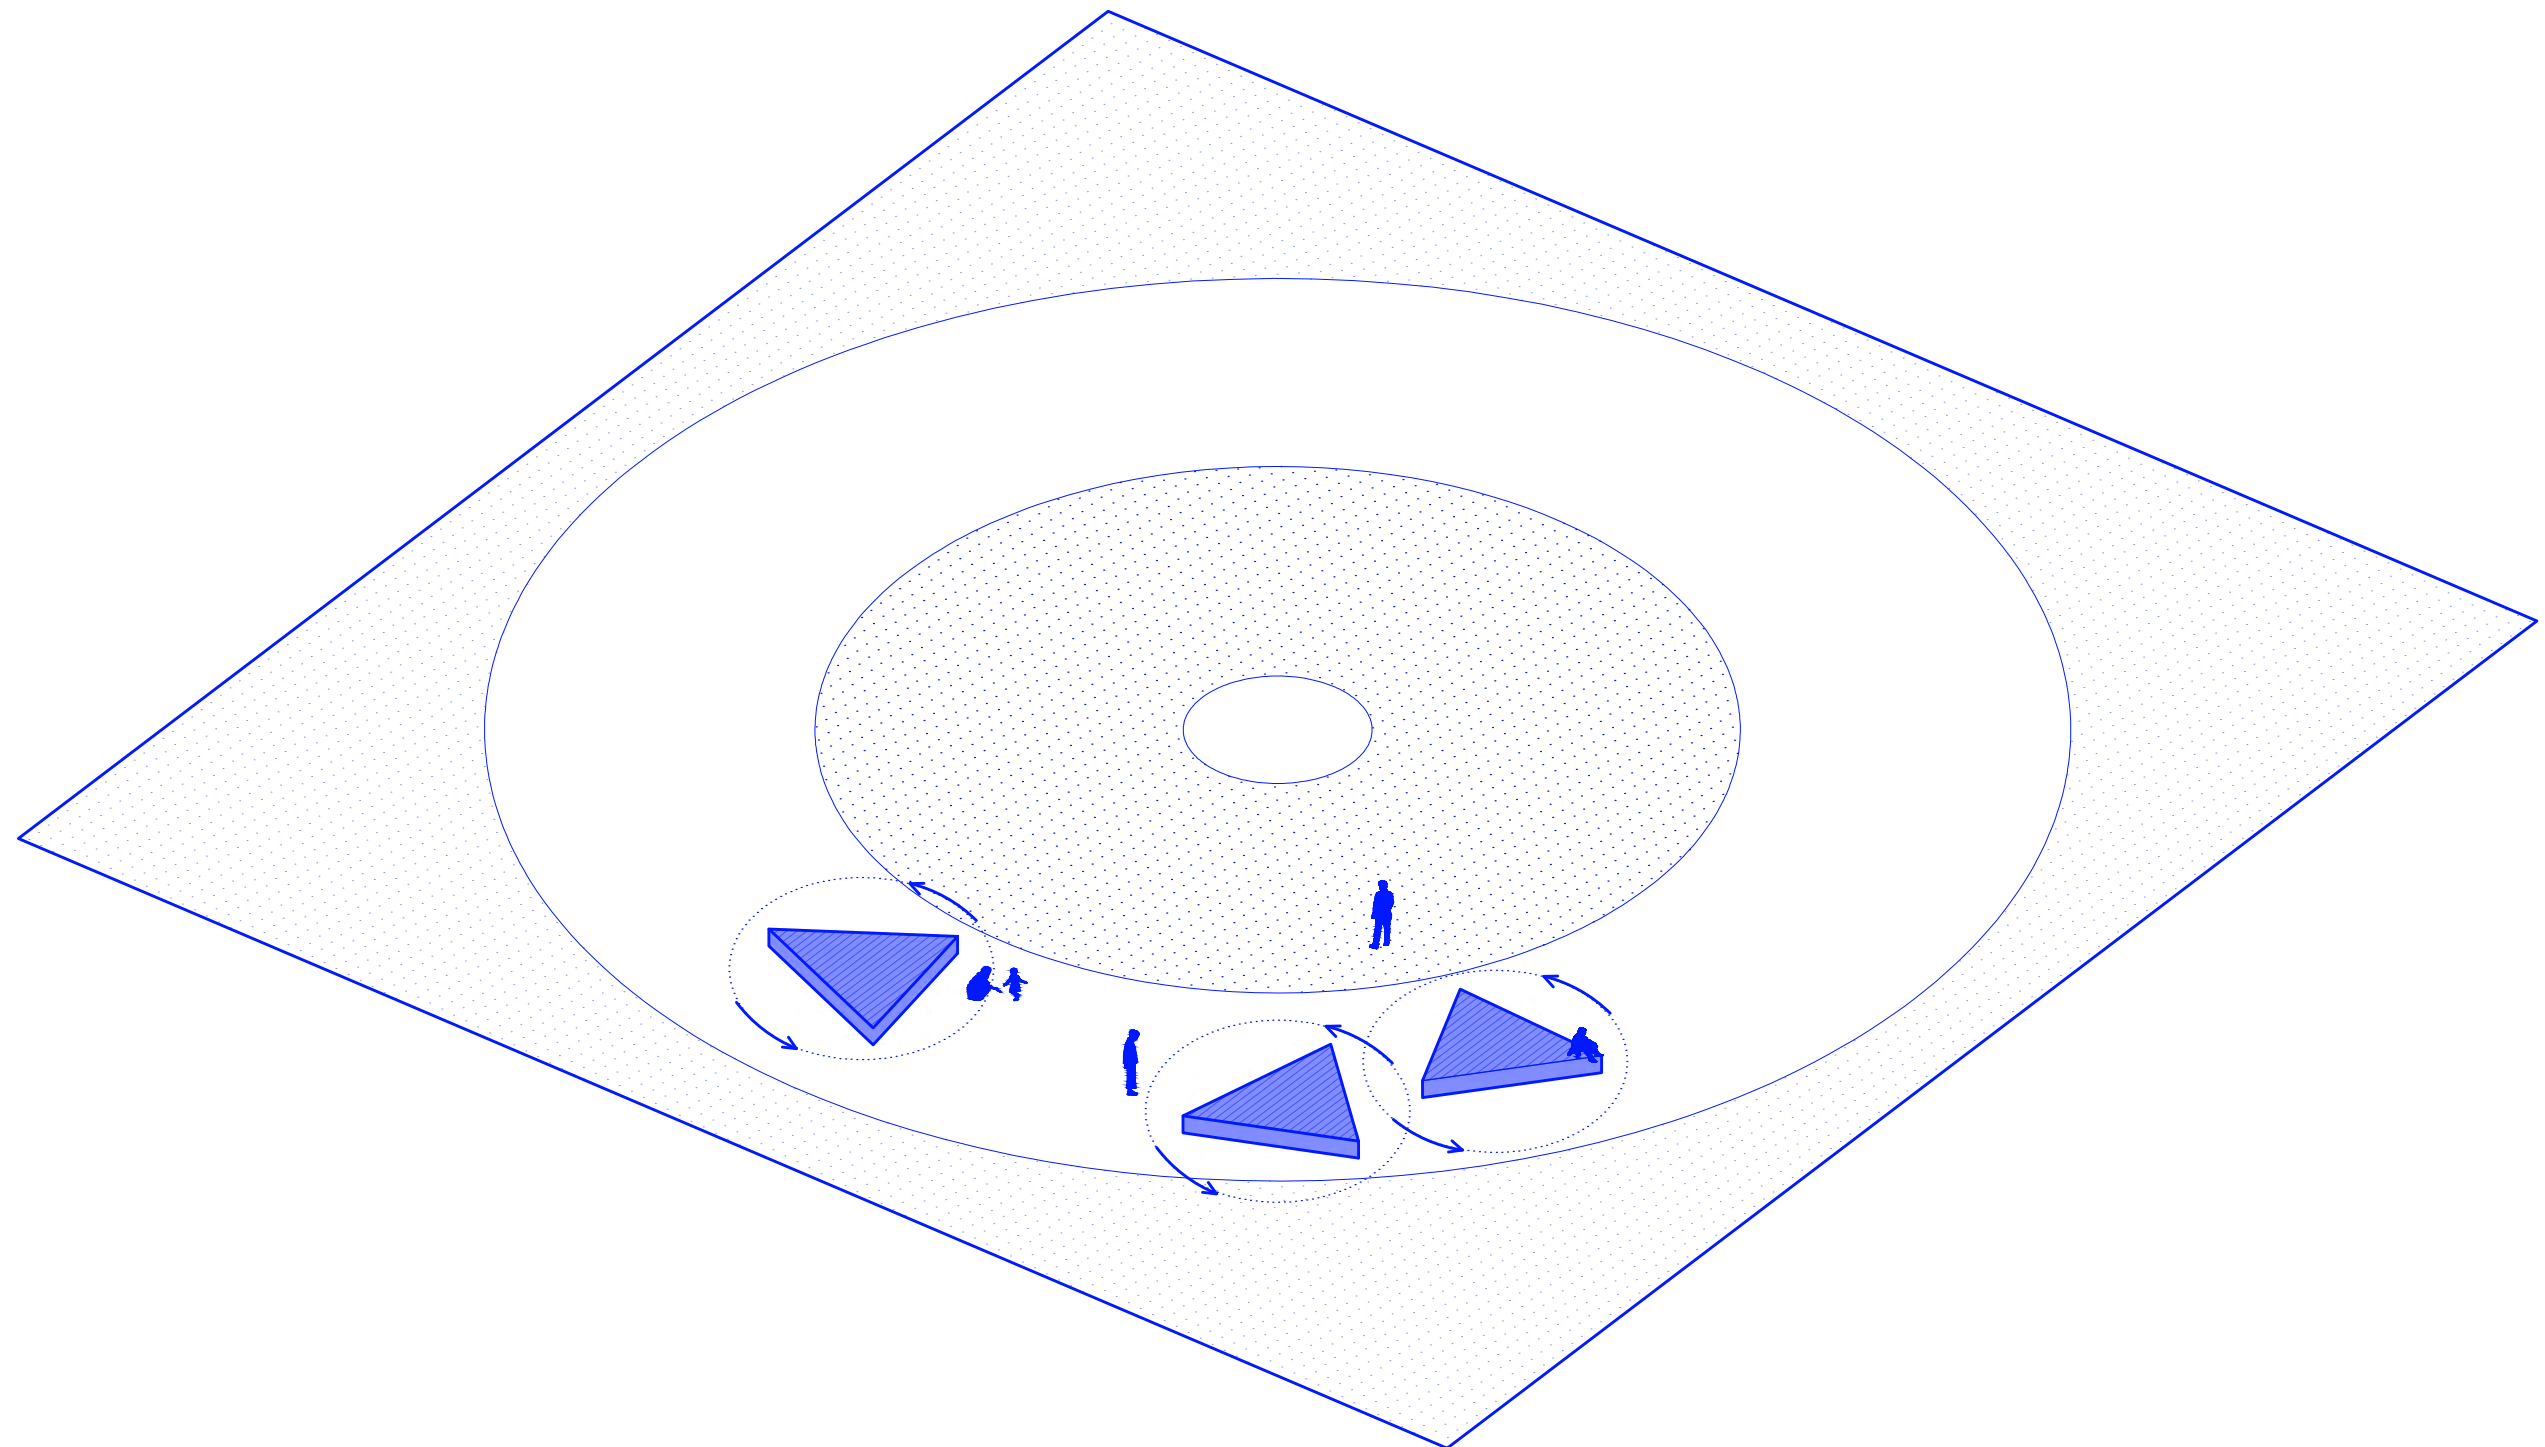

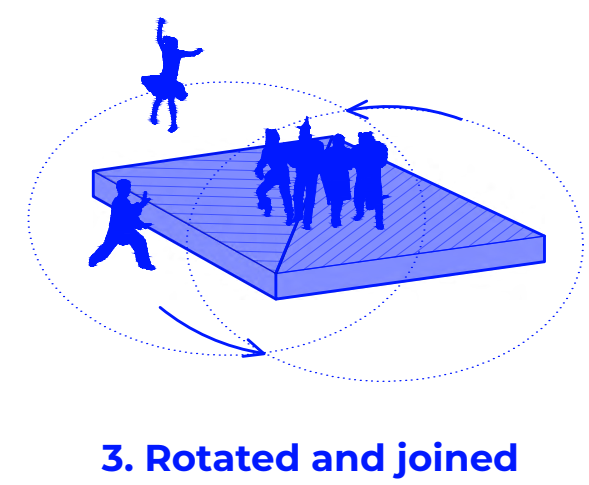

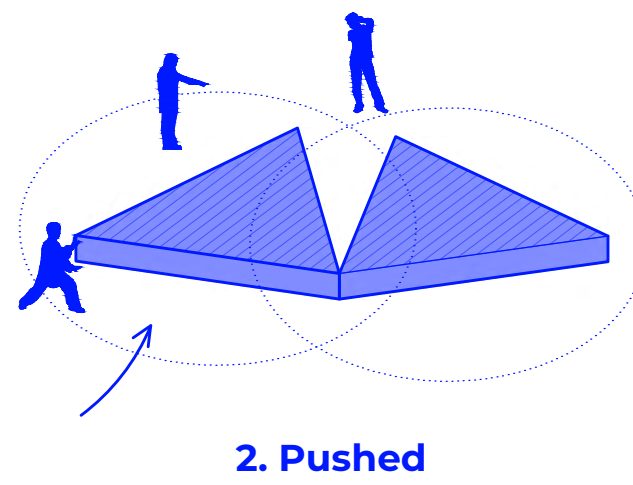

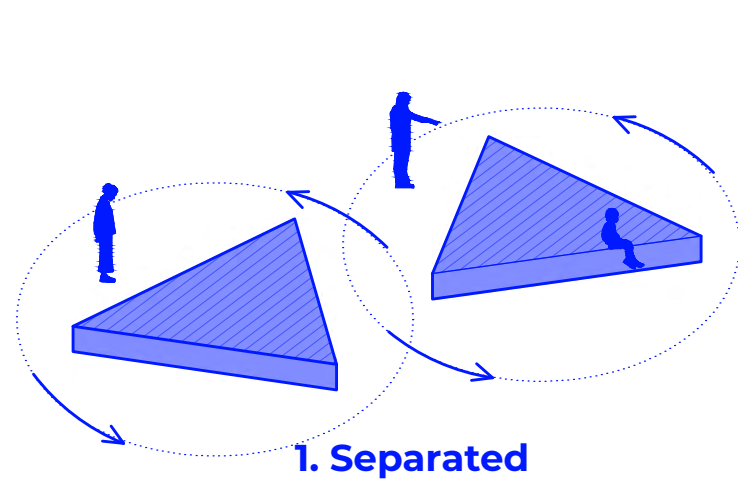

Taking inspiration from the movement

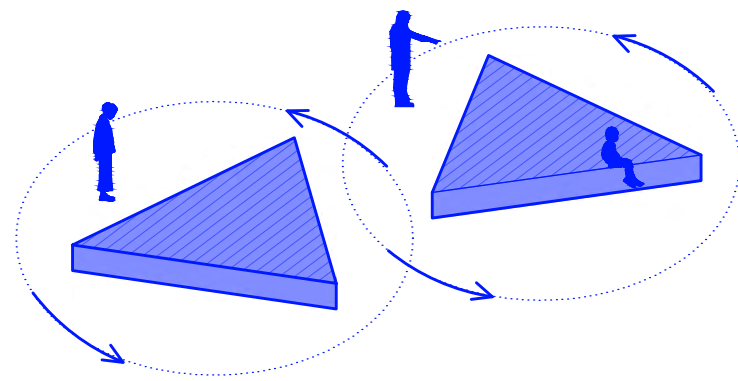

Big structure anchored in the middle

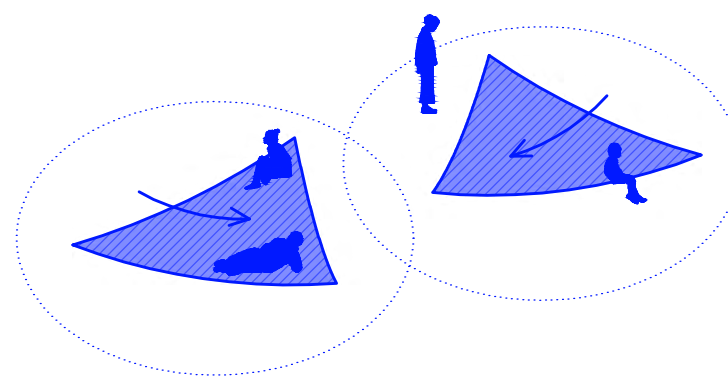

Smaller structures with their own anchor

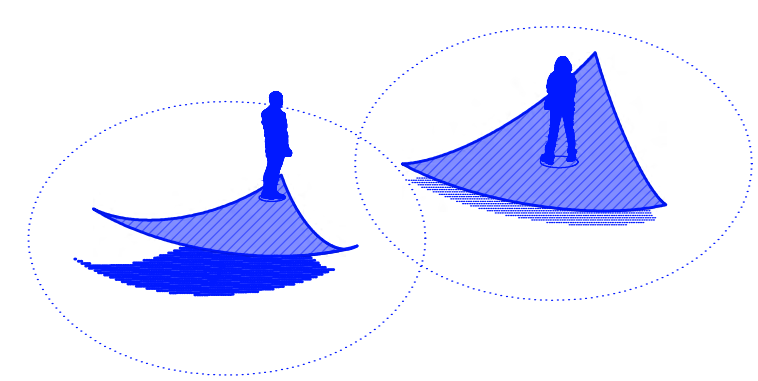

Changing the shape into a triangle = puzzle

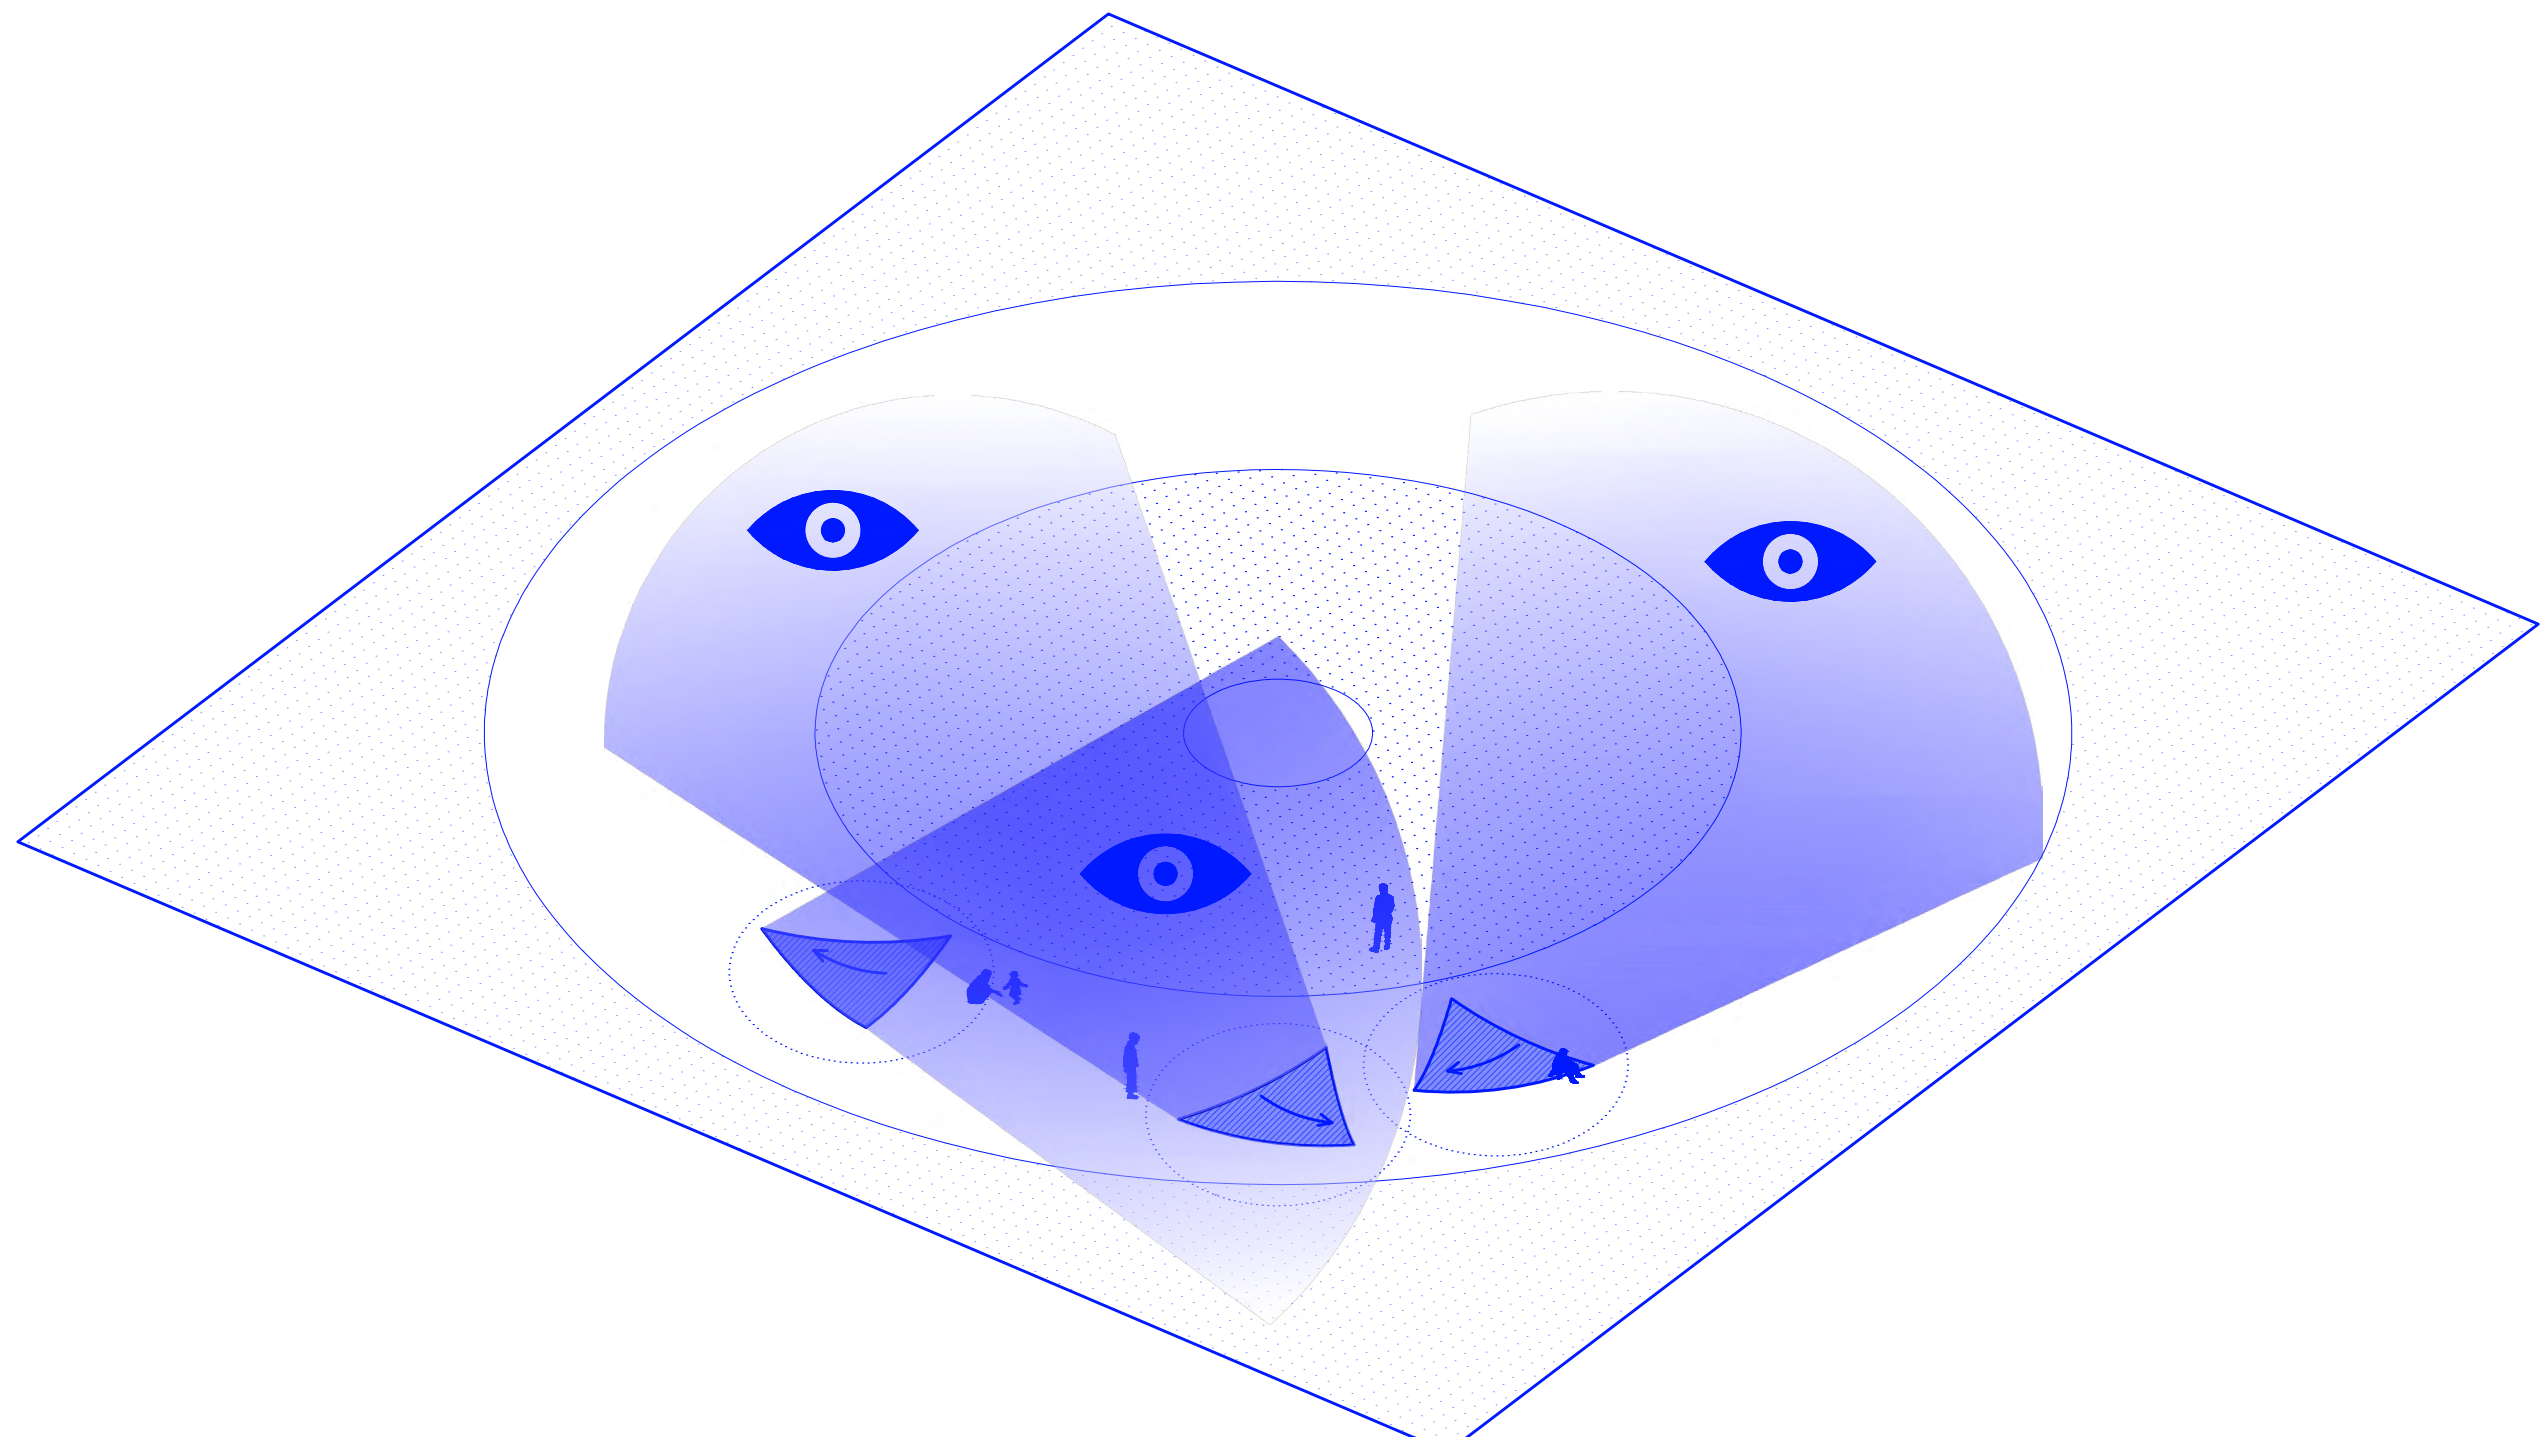

1. Flat surface

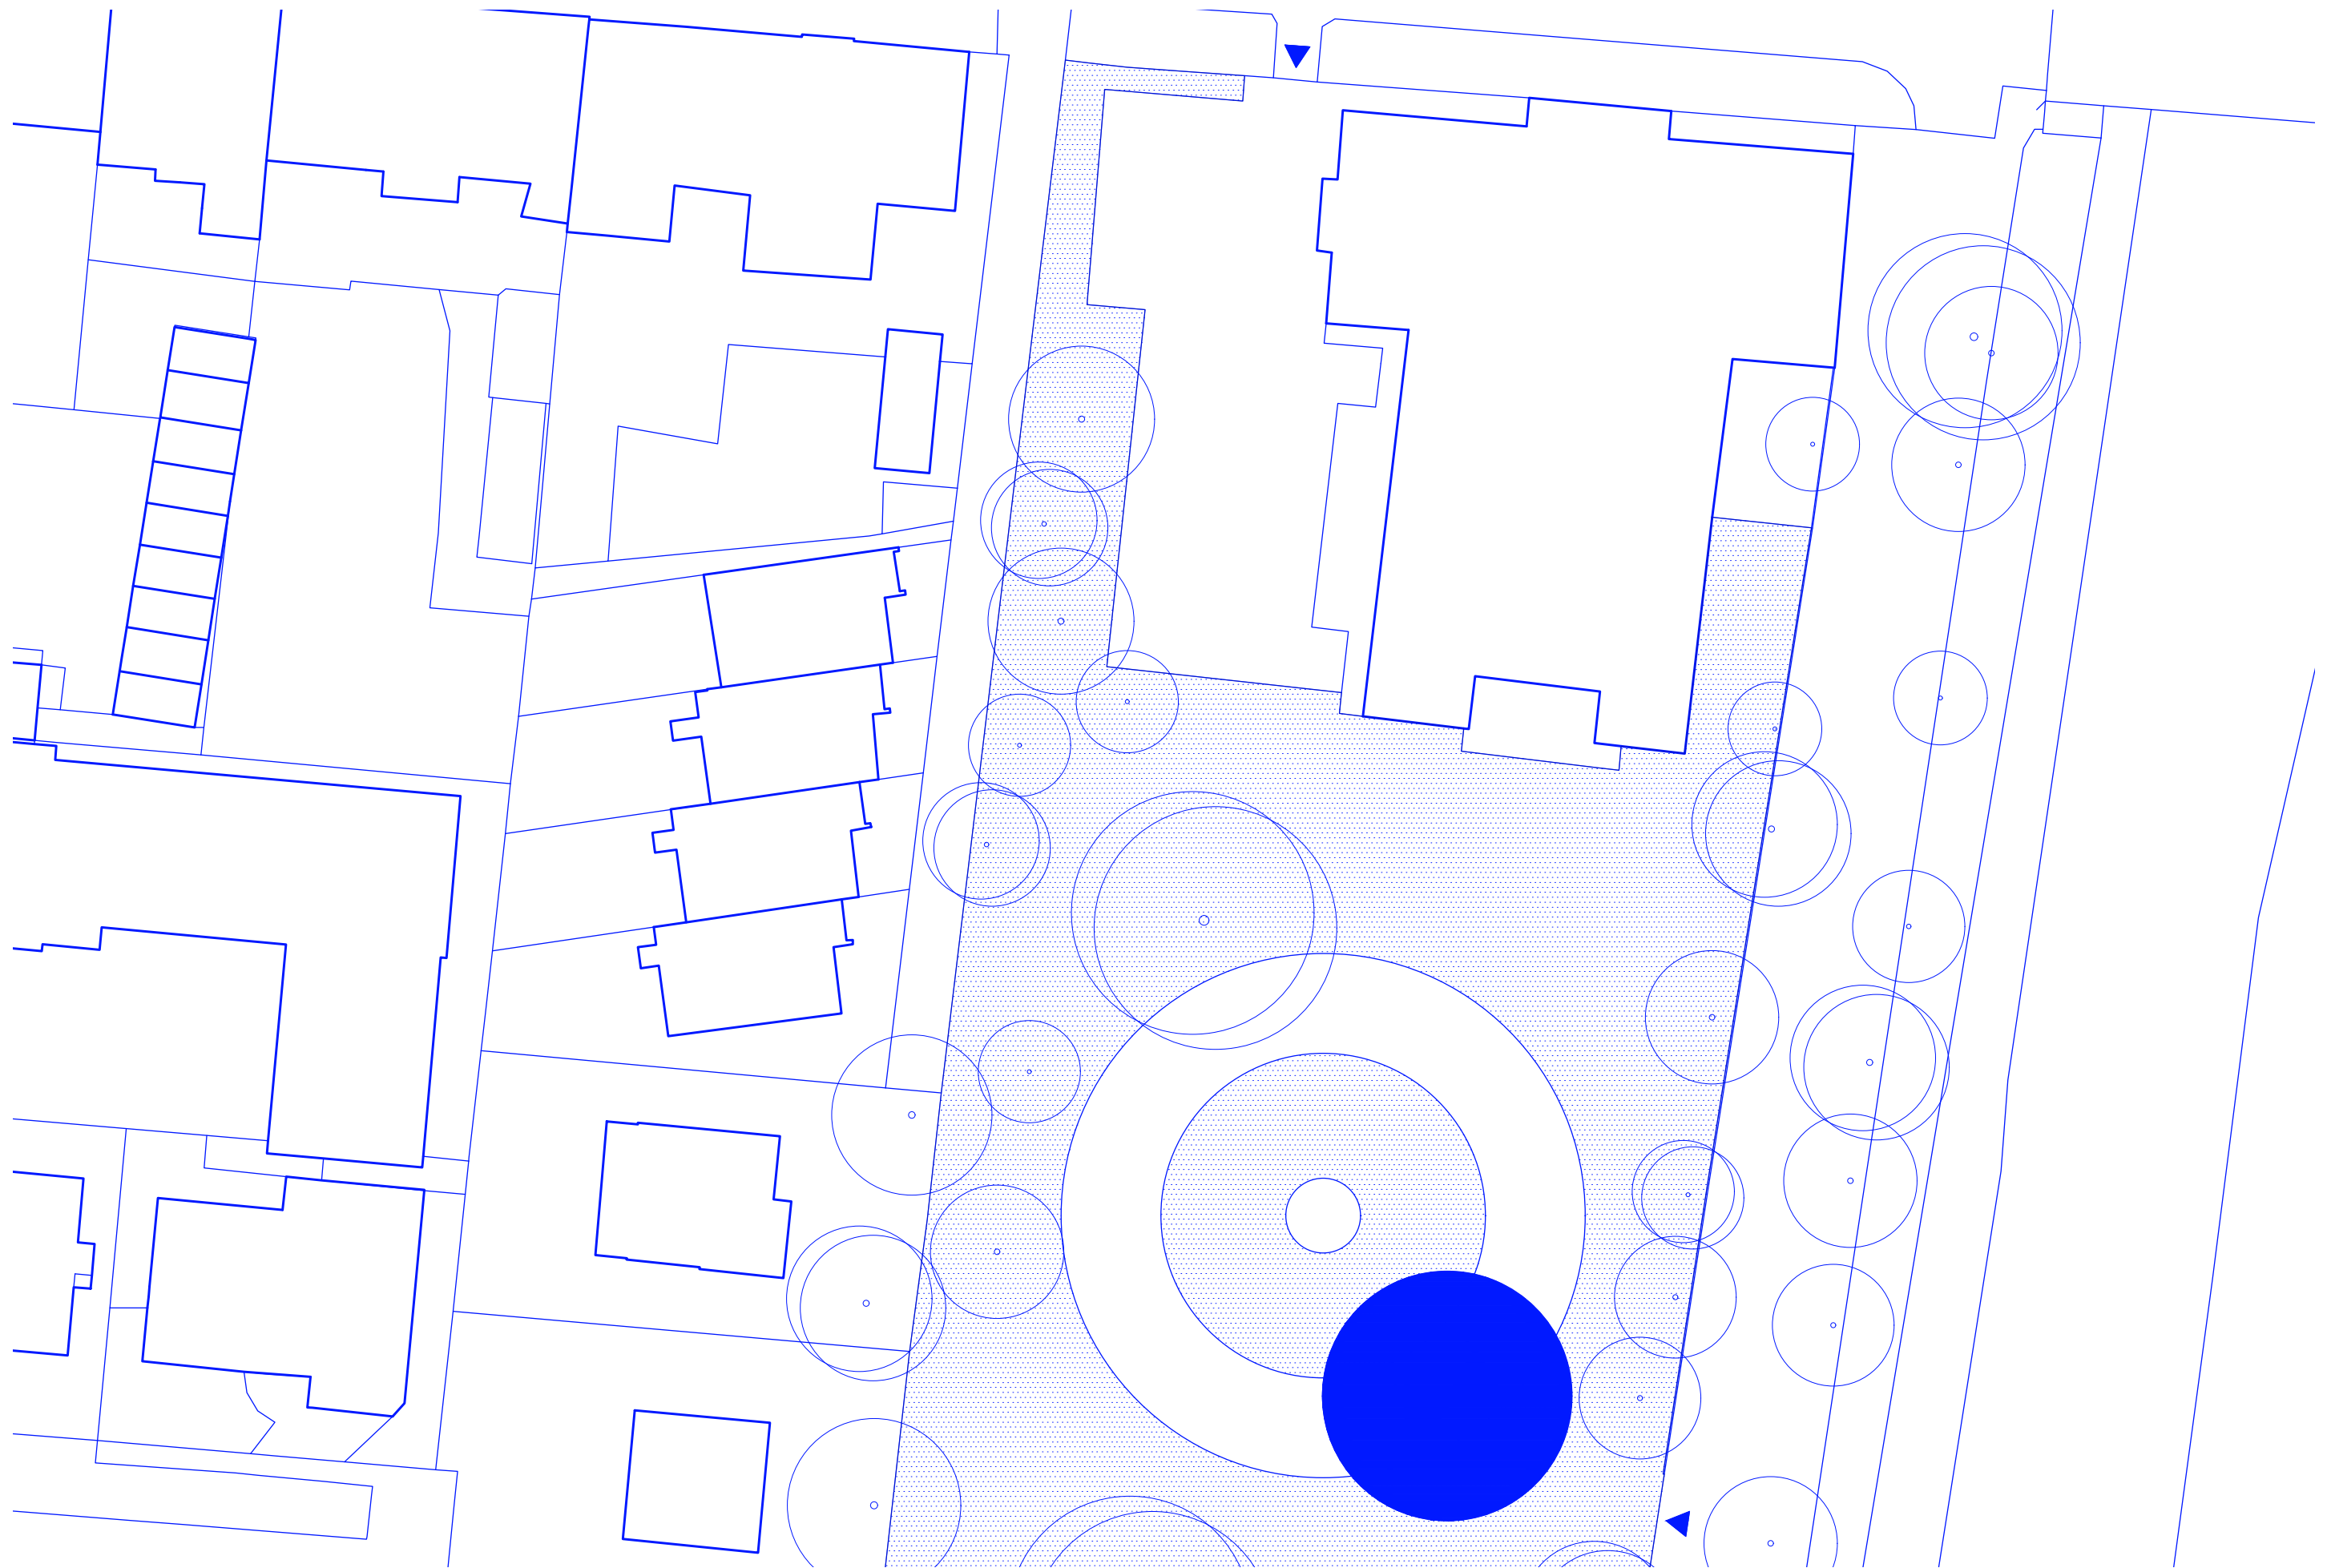

2. Curved surface = sitting + lying

3. Curved surface = slight swinging

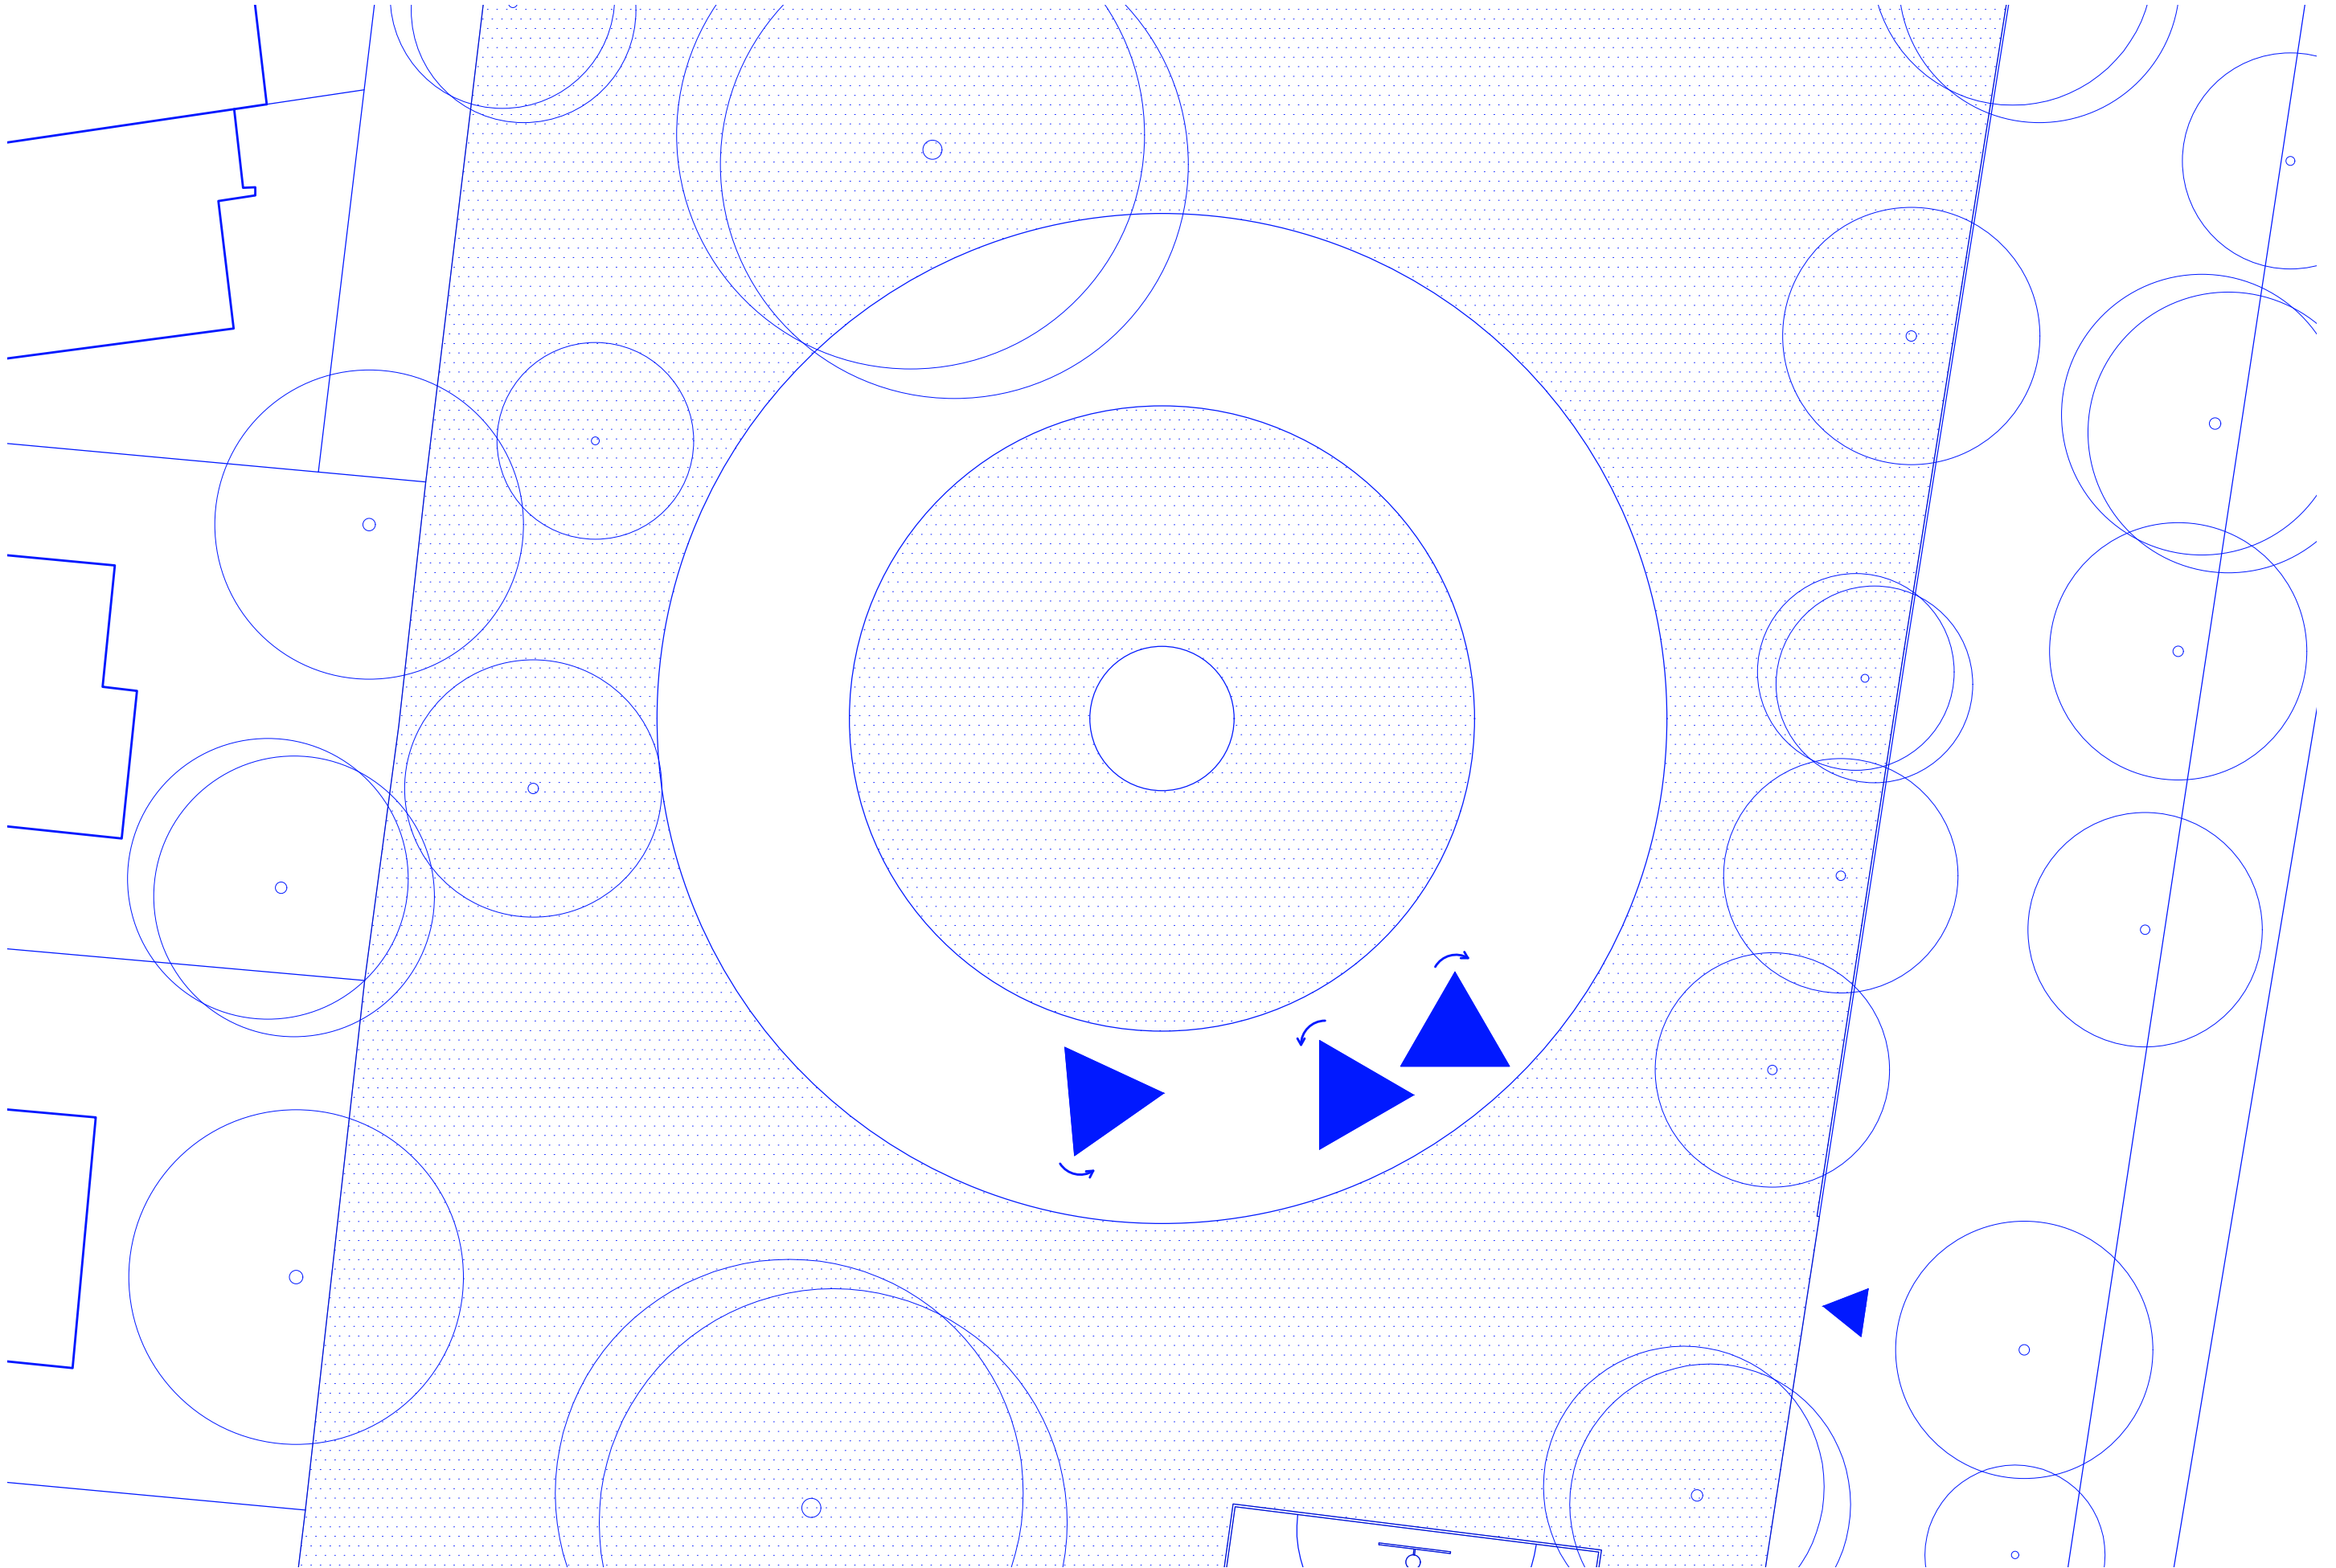

Curving the surface = lying, sitting, swinging + views

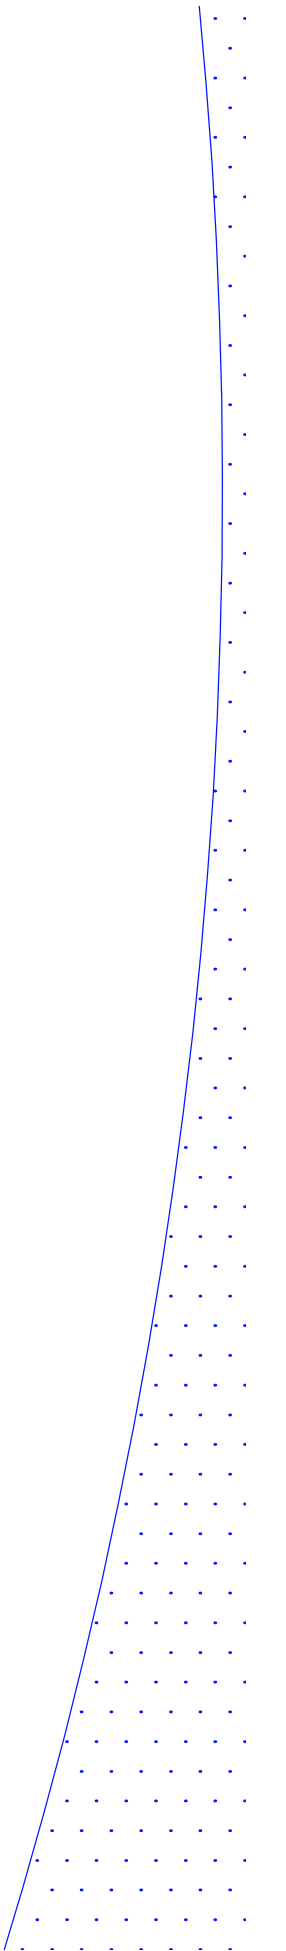

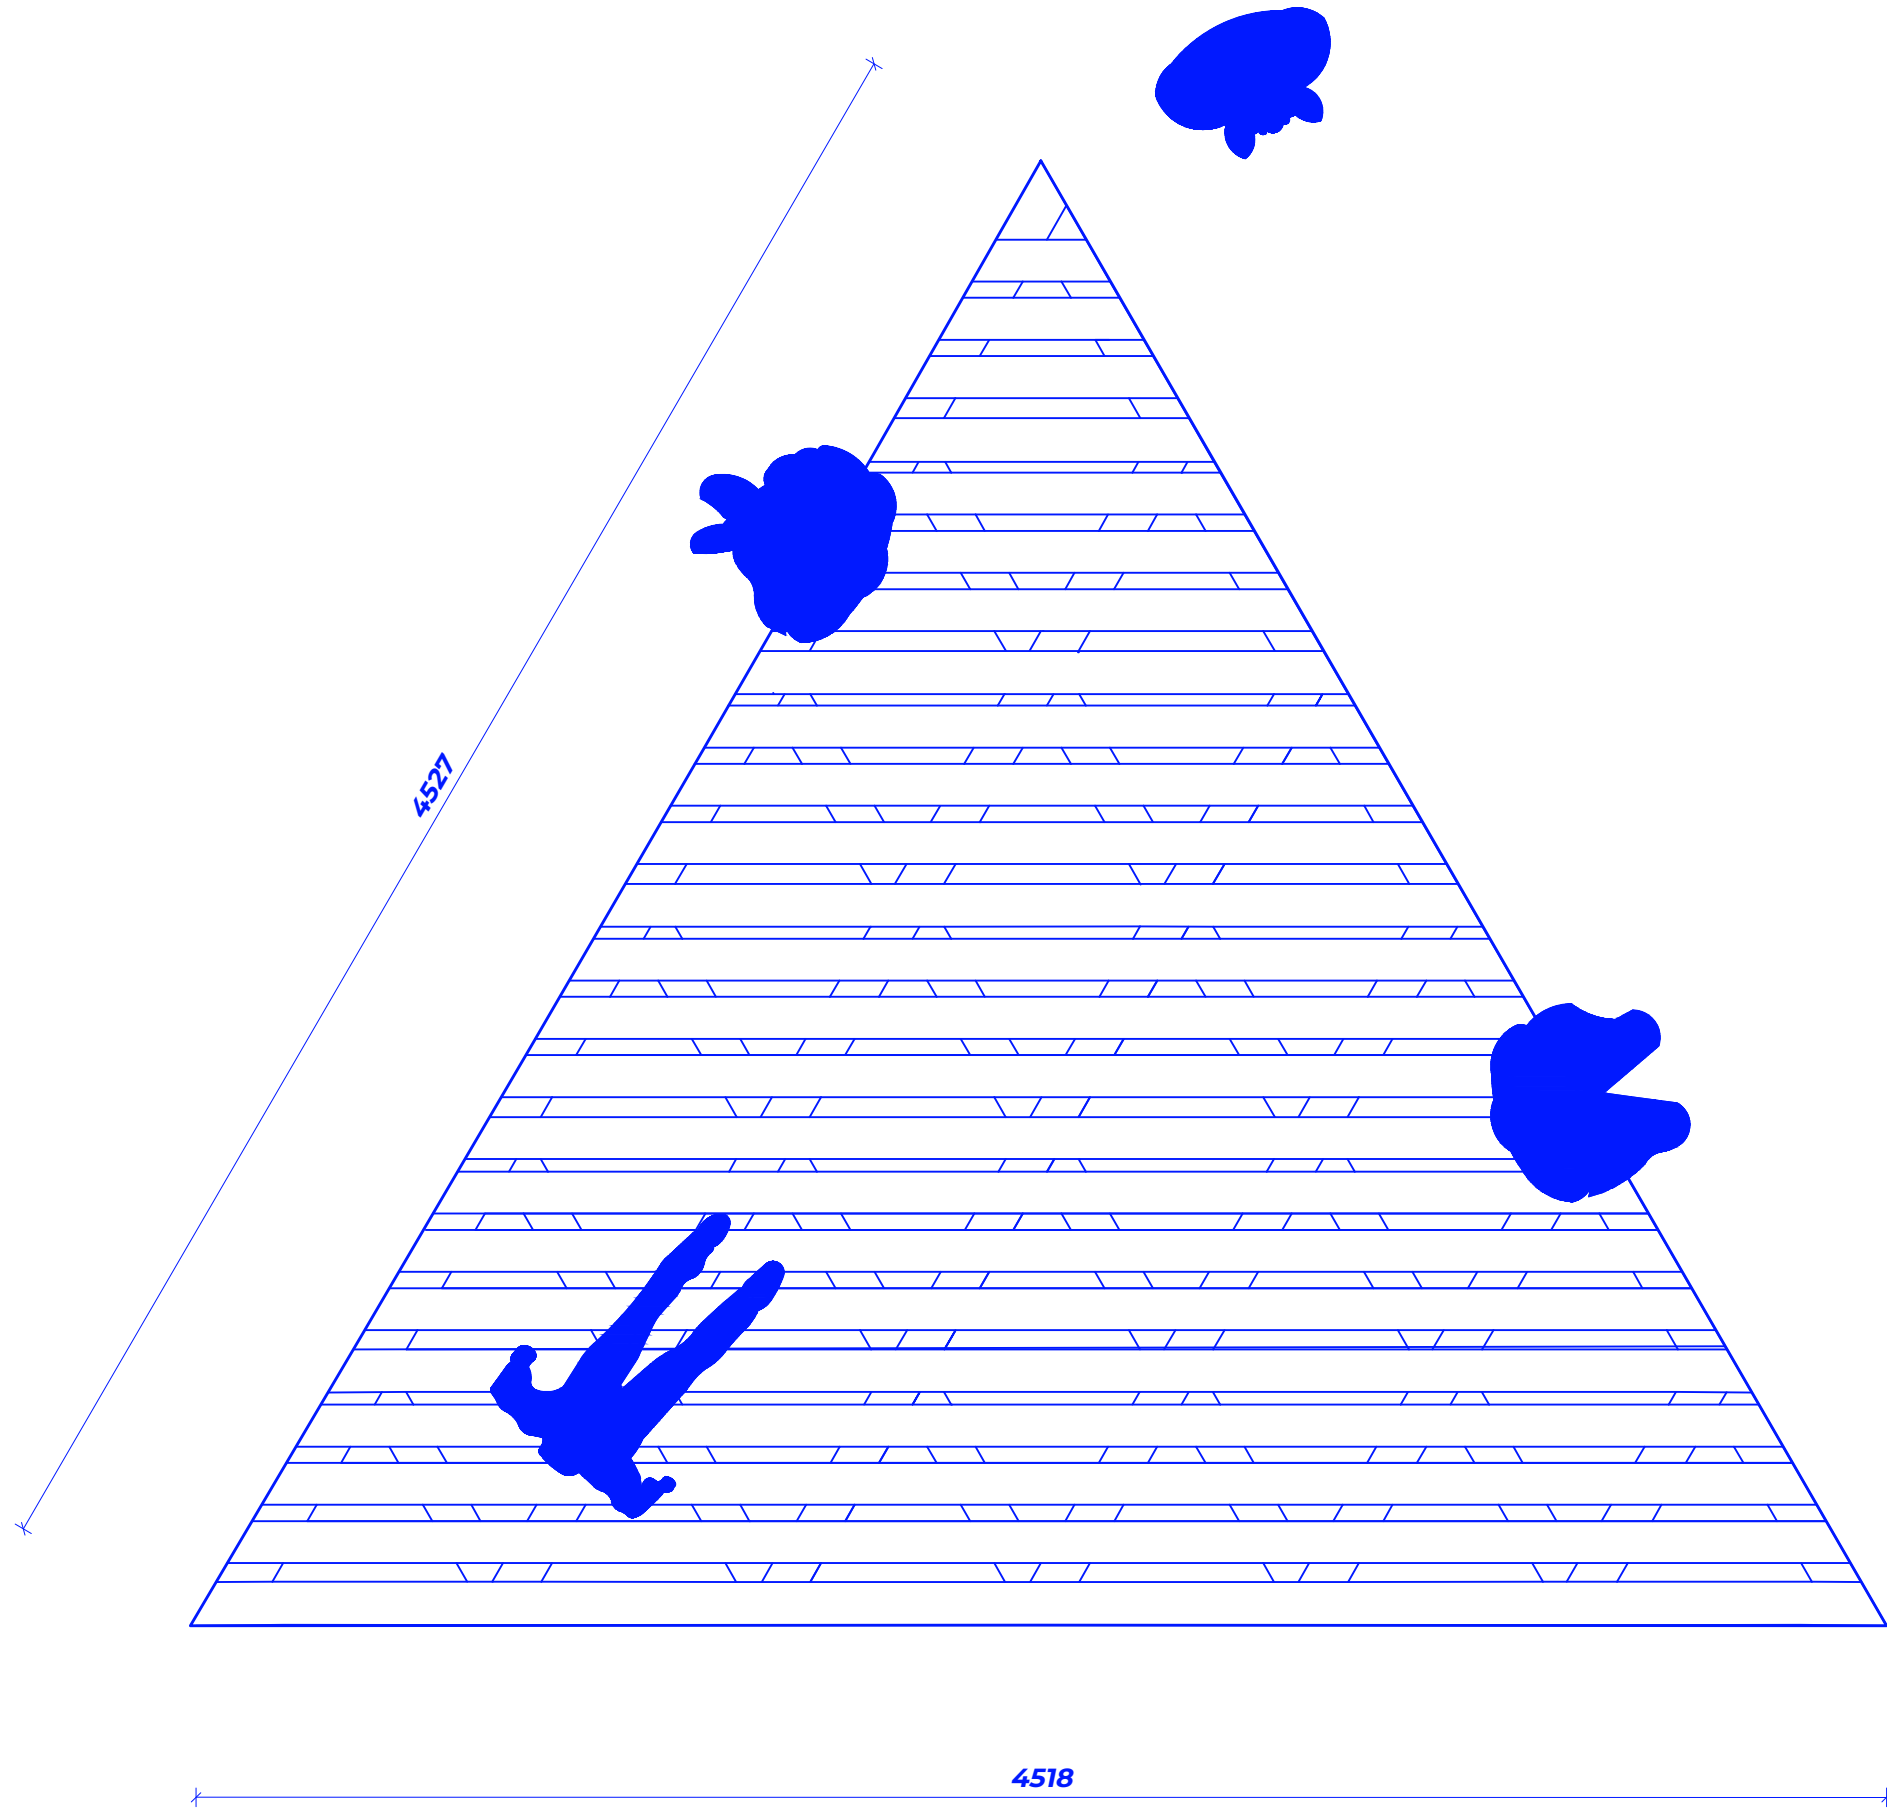

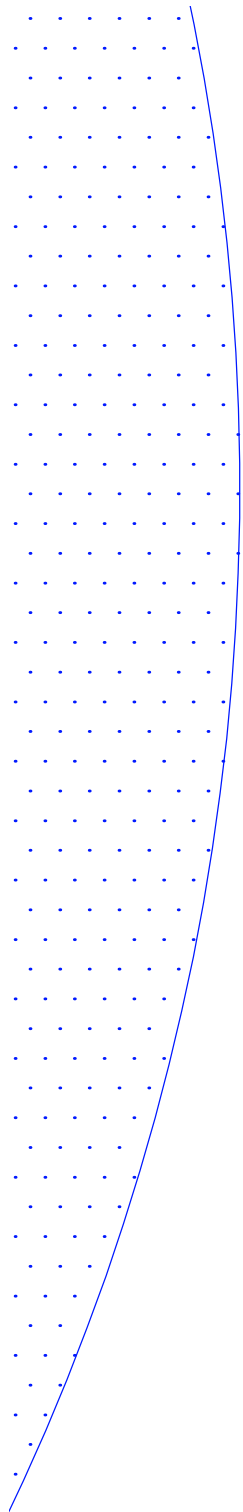

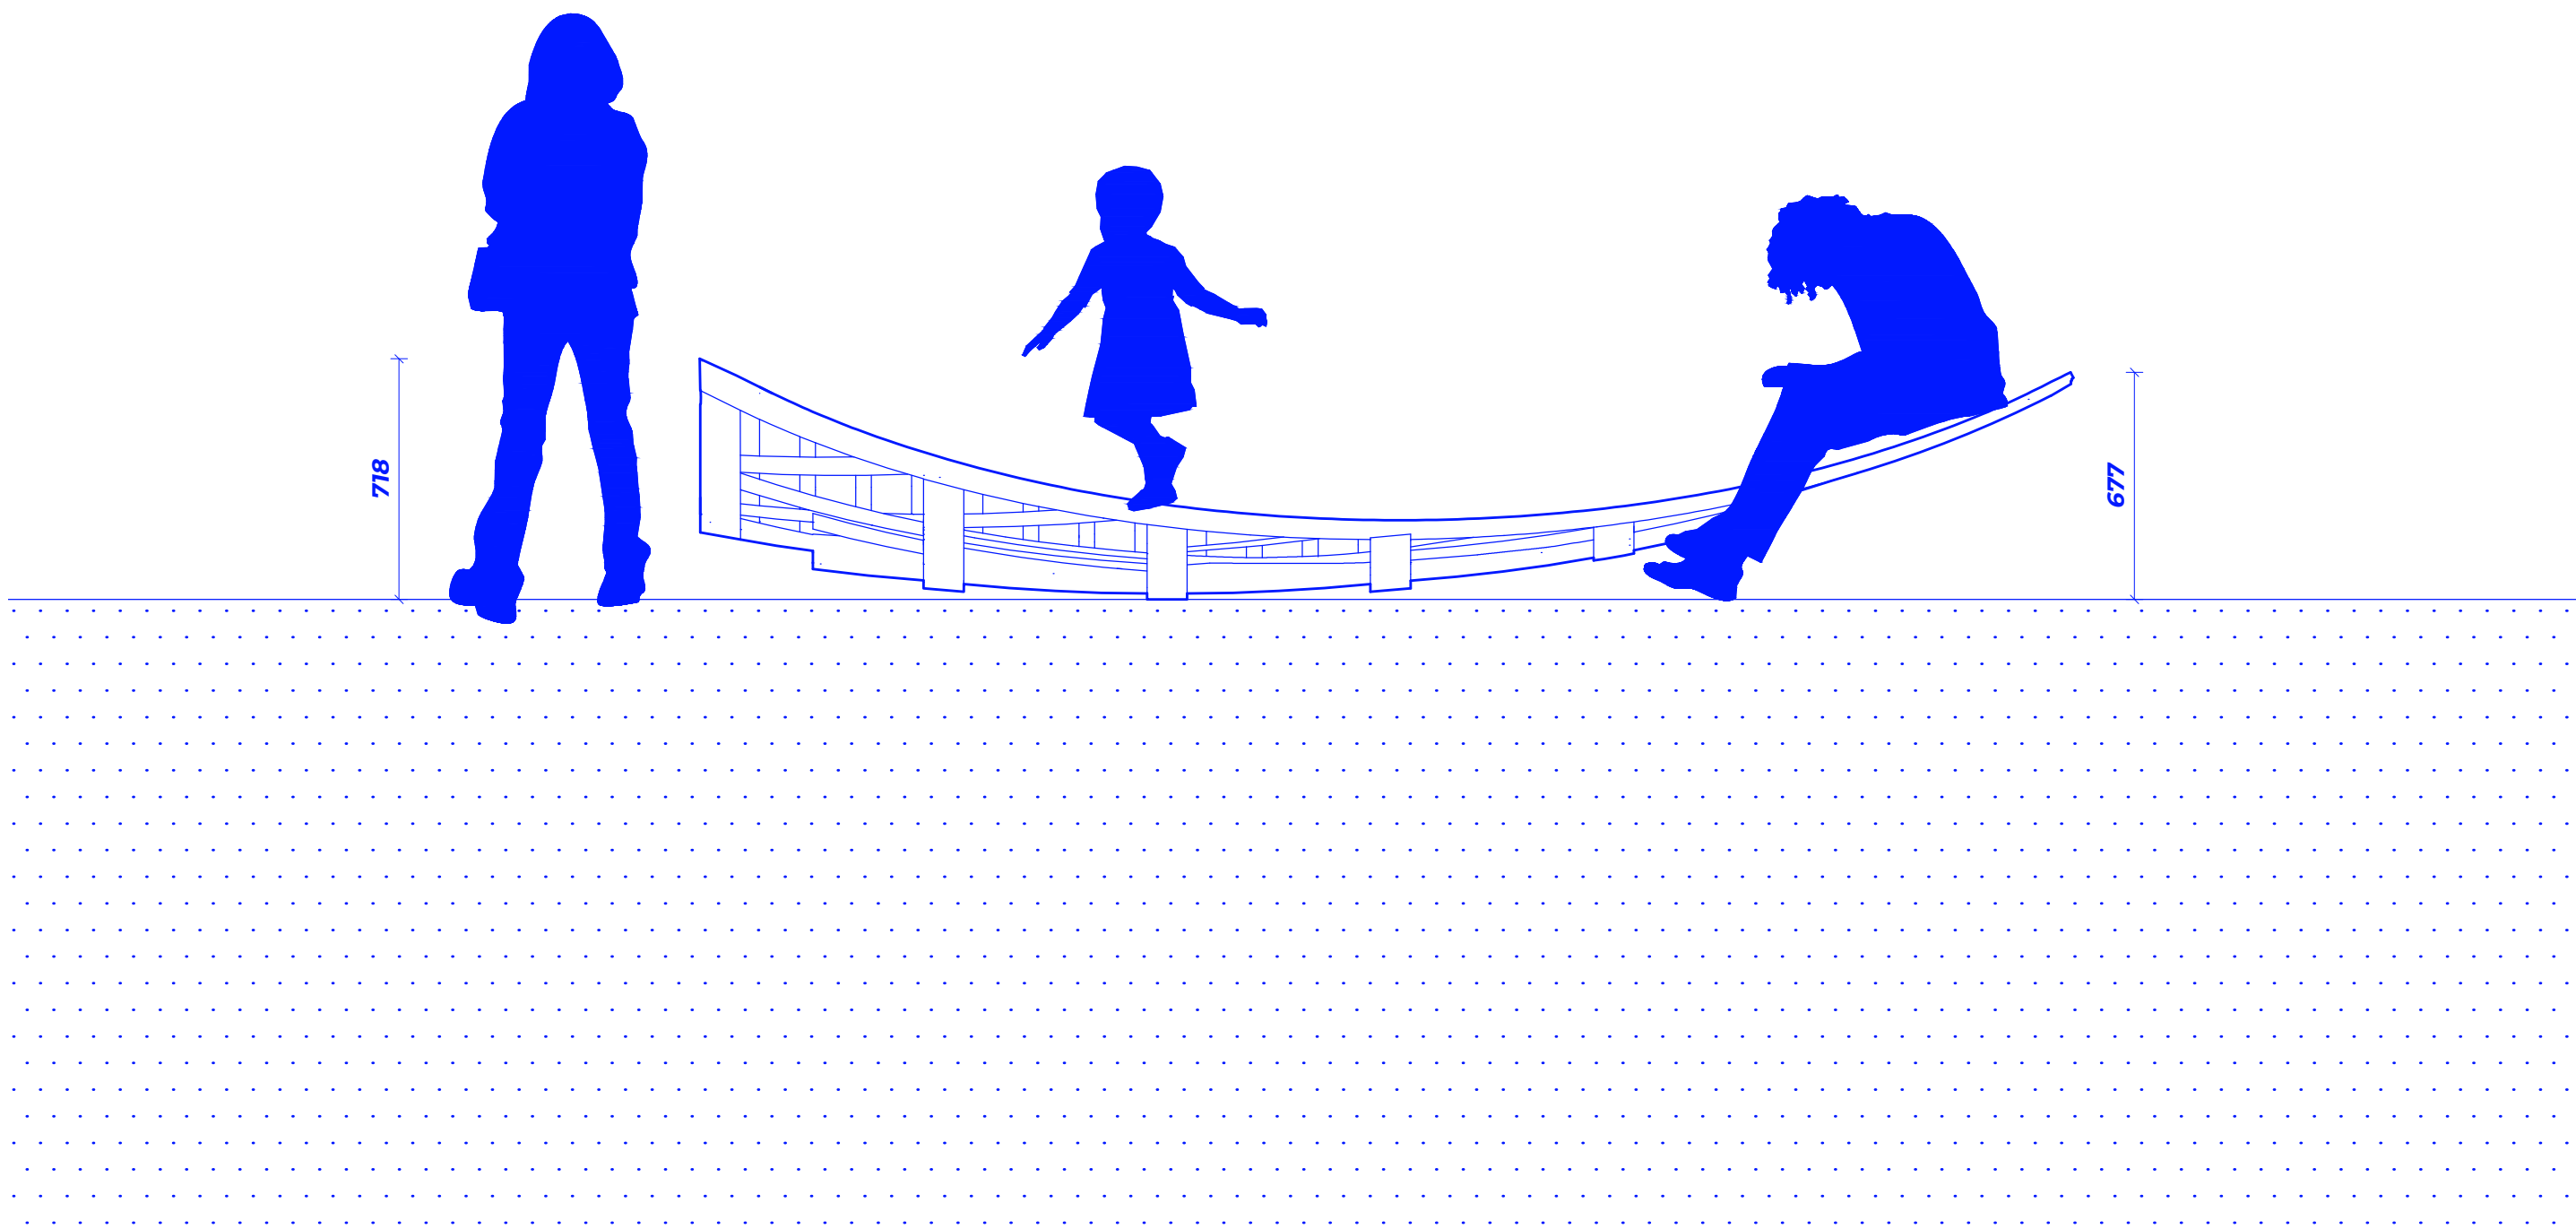

The perfect postion

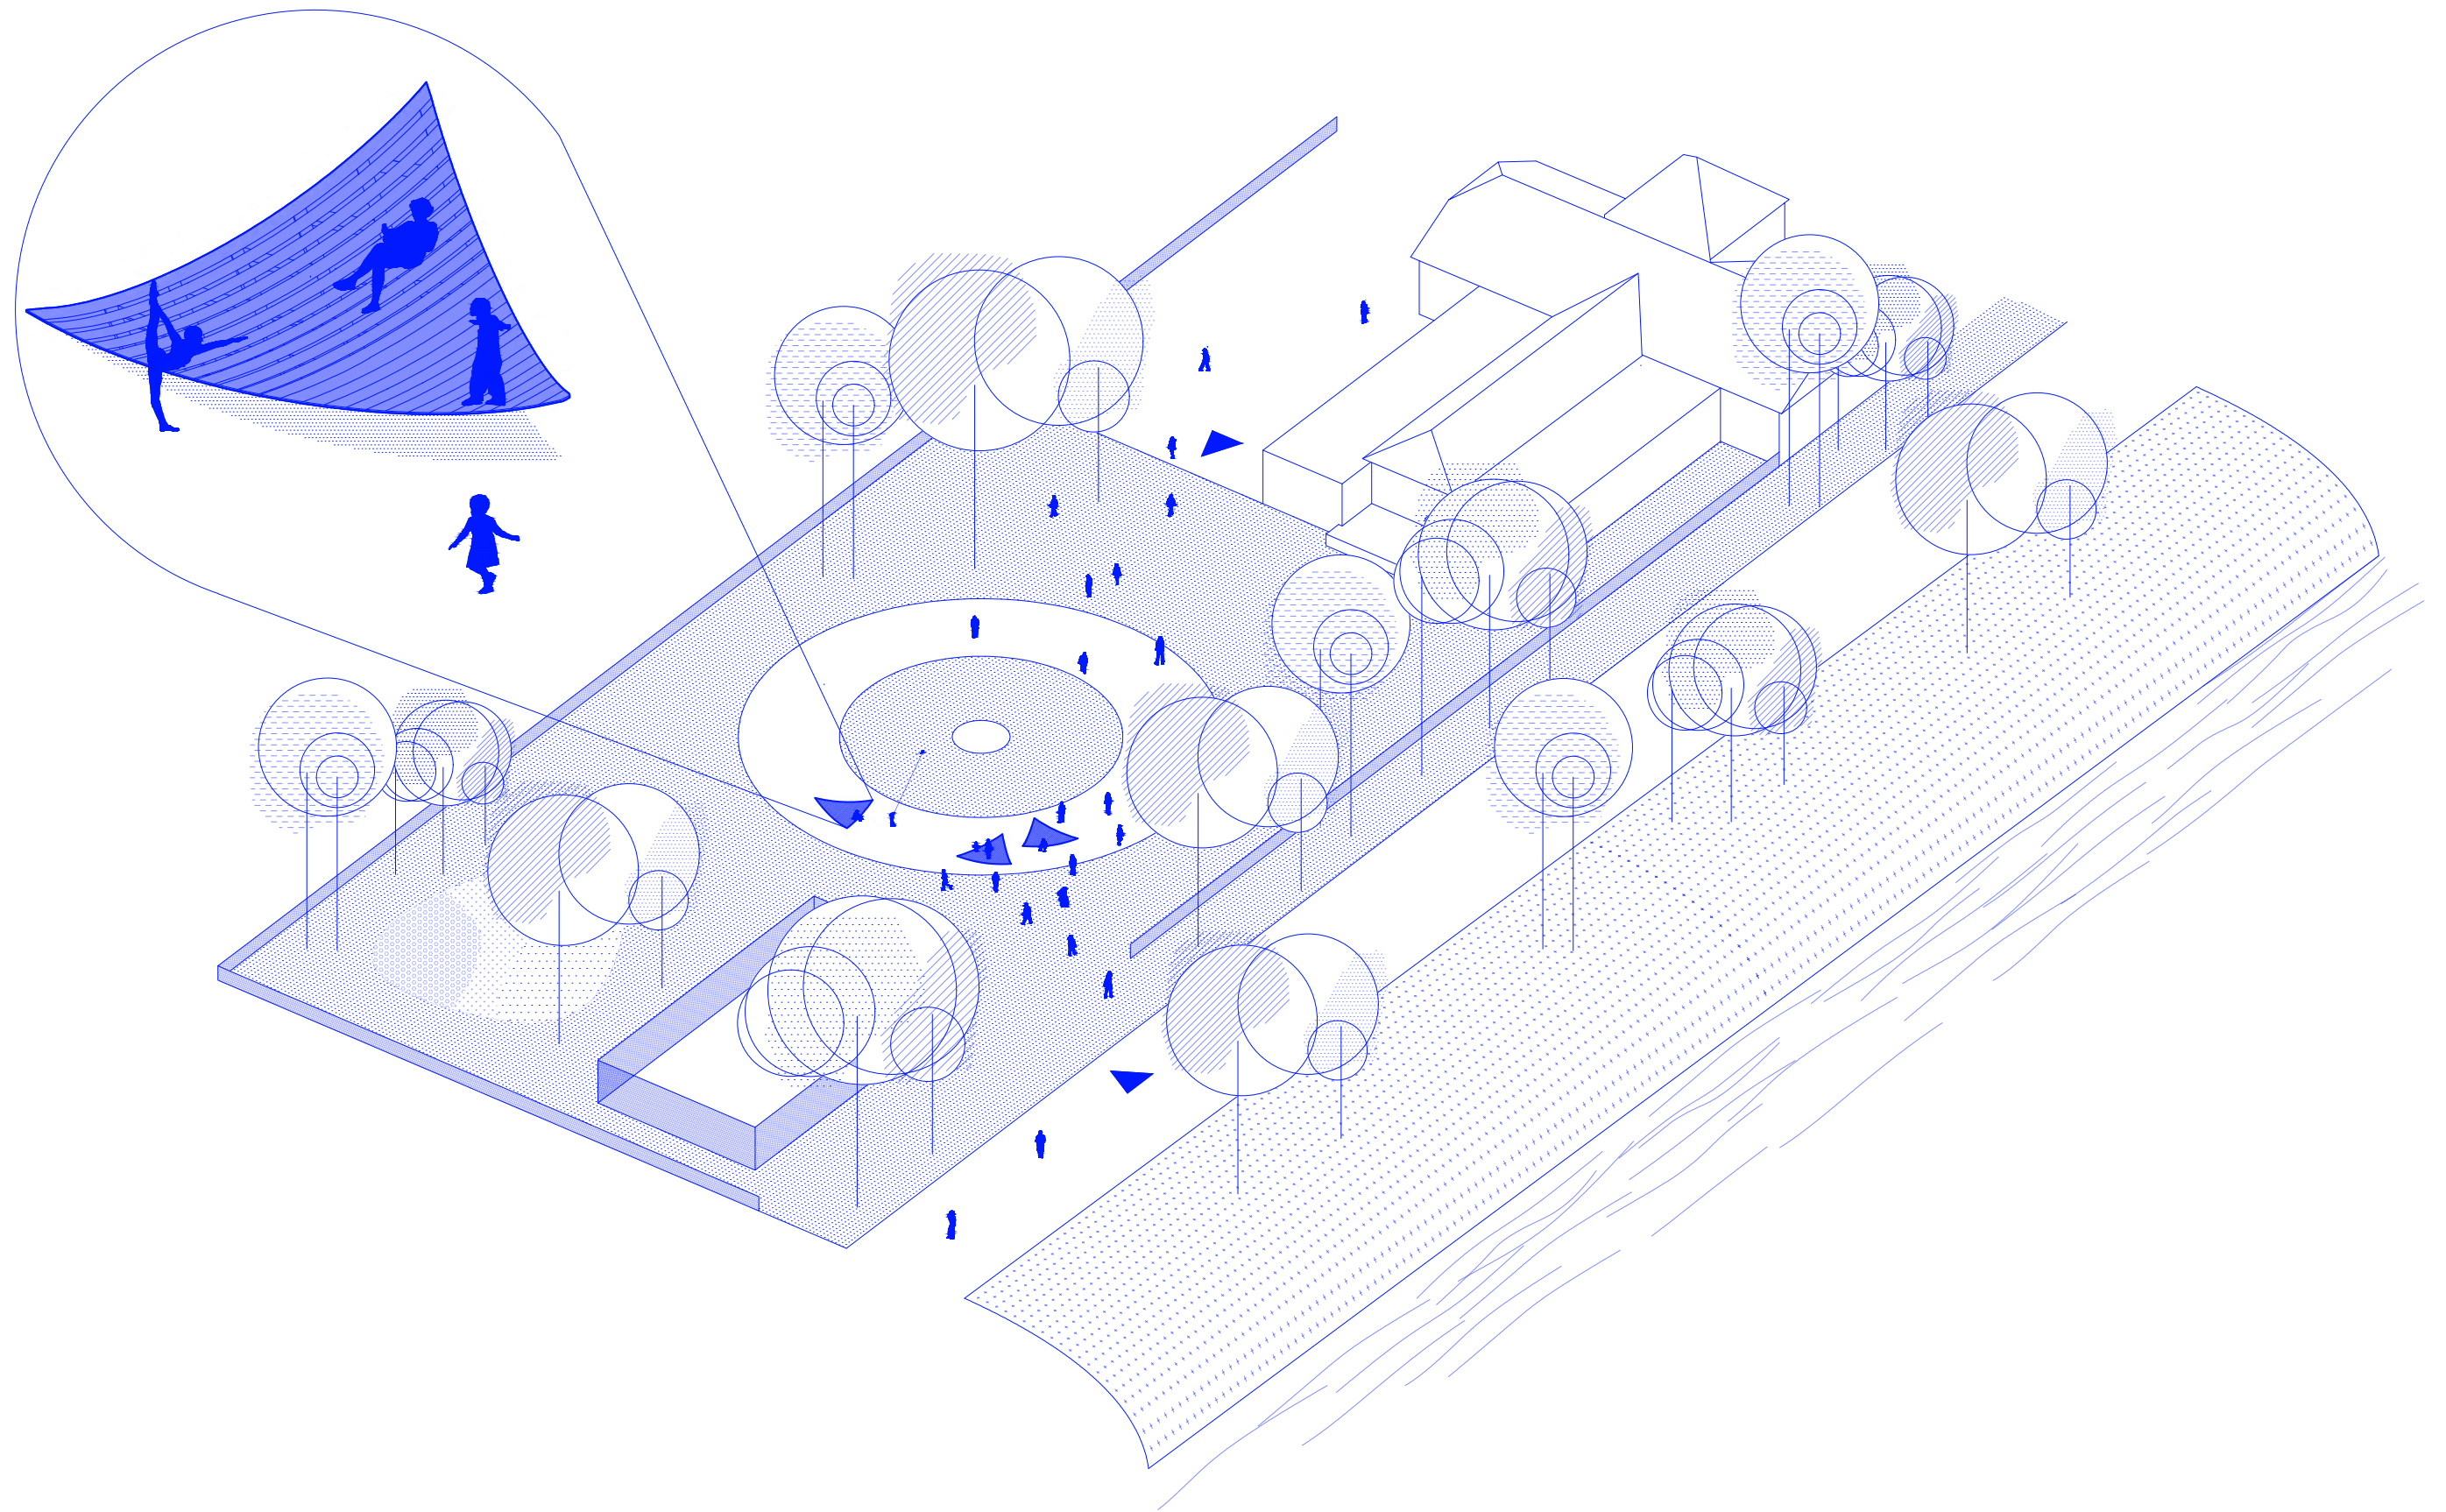

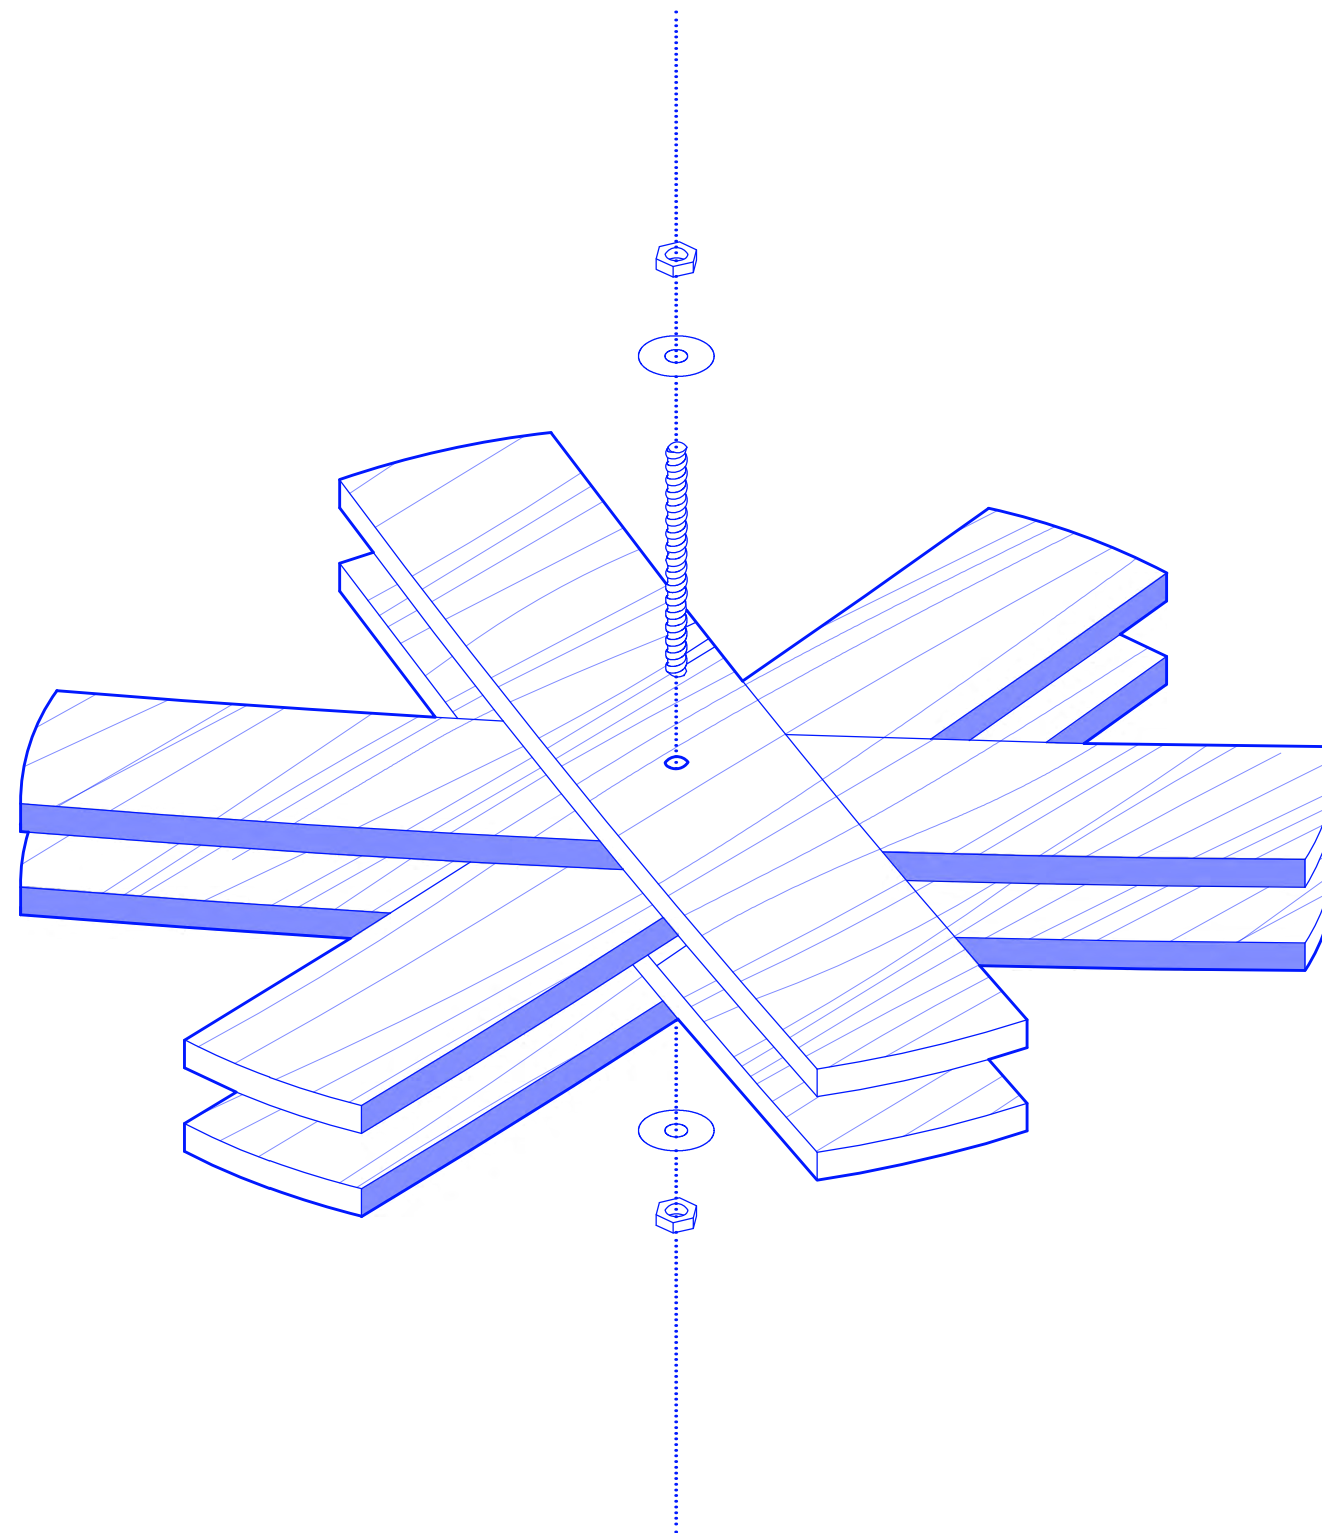

Site plan 1:500
